

**RESULTS of SEVENTH ANNUAL MIDLAND INVITATIONAL**  
**Girls' and Women's Track and Field Meet**  
**Jullariat Stadium, Northwood Institute**  
**AAU Sanctioned - Michigan Association**  
**Saturday, June 15, 1974**  
**Meet Directors: Norman Skelly**

Seven hundred and fifteen (715) athletes registered, with approximately 625 attending the meet. Weather was partly cloudy, with temperatures in the low seventies. Track was rubberized asphalt. A Davis anemometer was used for wind readings and the data is reported in miles per hour (mph).

\* Denotes new meet record

I want to thank all the athletes and coaches for making our job a pleasant one. The girls were well disciplined and did an outstanding job. If you have any suggestions for next year, do not hesitate to write or tell me in person during the cross country season. We are trying to improve our system of making heats. They get completely changed between program printing and actual running. Suggestions???

Thanks again, Norm Skelly
