

Prep Stars To Have Busy Time In Track

The summer track and field season opens Saturday, and Michigan's cadre of high school seniors will see action almost every weekend through June and July.

A new event, the Tri-State Championships, will call 35 of the state's top schoolboys in Fort Wayne, Ind., Saturday where they'll meet the best from Ohio and Indiana starting at 4 p.m. at Northern High.

Only Pat Davey, the celebrated two-miler from Brother Rice, will be missing. Davey will be shooting for a nine-minute two-mile in the All-American high school championships at Mt. Prospect, Ill., in suburban Chicago.

BUT MOST OF the stars of last week's state championships — including pole vaulter Jim Stokes of Farmington, Tom Dault, the Hastings' miler; sprinter Doug Heminger of Ann Arbor Pioneer; and shot putter Randy Fox of Mason — will head for Fort Wayne.

The following week, the top stars will be in Gainesville, Fla., for the National Junior A&J championships, open to all athletes under 20 years of age. The schoolboys will be stepping up in class that weekend.

Only a selected few, whose community or school can come up with the money, will compete in the Golden West championships, June 21-22, in Sacramento, Calif.

OF THE 30 seniors selected for Saturday's meet in Fort Wayne, only Howard Mitchell and Jim Grace, of Mumfords, are from the Public School League. The PSI doesn't conclude its own championships until June 26.

If a youngster competes at Fort Wayne or any other open meet, he loses his high school eligibility. Mitchell and Grace evidently have decided to pass up the PSI championships in favor of the meet. Both Mitchell and Grace are quartermilers.

The committee which made the selections was comprised of Jerry Young of Farmington, Lou Miramonte of Shiro, Ron Waldvogel of St. Joseph, Woody Thomas of Detroit Central, John McKenzie of Redford Union, George Brown of Detroit Country Day, and Roger Shepler of Pontiac Central.
