

1975 FINAL CROSS COUNTRY RESULTS

Upper Peninsula—October 15, 1975

Lower Peninsula—November 1, 1975

Escanaba, Norway, and Chassell each retained their title as Upper Peninsula Final Run Champions. This is the third consecutive year in which Escanaba has won or shared the Class A-B Championship. The first place winners for all three classes broke sixteen minutes for the three mile course. Munising Mather's Greg Harger established a new course record by finishing with a time of 15:36.6. Marquette High School served as host for these runs.

The Class A and Class D Runs were hosted by Grand Blanc High School at the Grand Blanc Golf Club. Charlotte High School once again hosted the Class

B and Class C Final Runs at the Charlotte Country Club. Each lower peninsula final run produced a new champion. Grosse Pointe North High School, by posting a low score of 81, became the 1975 Class A Champions. The Class B crown went to Sturgis High School, and Marville High School improved its third place finish in 1974 to become the 1975 Class C Champions. Concord High School edged Elk Rapids High School for the Class D Championship.
