RESULTS 1.

The programs for this event were designed and printed by students of the Production Printing Class at Jackson High School, Jackson, Michigan, under the supervision of the instructor, Mr. Edward Prach.

The Michigan Intercollegiate Track Coaches Association wishes to thank the University of Michigan Athletic Department for their co-operation in making this meet and the three meets possible - especially Jack Harvey, Ron Warhurst, and Greg Syphax.

A very special "Thank You" to all of the coaches who gave of their time to help make the three meets at the University of Michigan successful. Michigan high school track coaches again display their greatness.
