The "thrill of victory and the agony of defeat," as they say on TV, will be experienced to when the 44th annual Mansfield Mehock Relays stages its big show. Only an athlete good enough to win an event in the merciless competition of the Relays can know what a thrill it really is.

The "agony" part comes to many other topnotch competitors, who are just a whisker slower than the winners. There can be only one champion in each event.

Mansfield's competition is such that a boy good enough to win there generally is never put to an equal test the rest of the season. Sometimes the state meets are looked on as breathers after the Mehock Relays.

But winning is not everything, hundreds of young athletes benefit greatly from competing in the Relays because of the exposure to top-notch rivals. They find out what is required of them to excel in this sport and work harder thereafter to achieve a new level of performance.

The great competition generates an annual assault on the meet record list. In the 11 meets held at Mehock Field, 59 records have been broken - - three of them last year.

More will go this year, you can be sure.

**FUTURE RELAY DATES**

**RELAYS STANDARDS**

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

Please be sure your athletes can meet these standards.

**SUGGESTED MINIMUM STANDARDS FOR MANSFIELD-MEHOCK RELAYS**

It is the desire of the Mansfield Relays that all athletes be given equal opportunity to do well in their events, therefore please give consideration to the qualifications.

There is an area in the main bleacher section for coaches with access to the field. (With present facilities this is the best we can do).

Also the pole vault pit, in use for the finals, will be at the end of the field to make for better viewing. Port-A-Pits are installed for the high jump and pole vault.

Scores for events will be announced over the Public Address System.

**RELAY CHIEF - Al Ward (above) is the director of the Mansfield-Mehock Relays. Ward replaced Relays founder Harry Mehock as chieftain. Mehock directed the Relays for the first 36 editions. Ward served as assistant director for nine years.**

★

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 44th renewal of the Mansfield-Mehock Relays which will be staged April 11, 12, 1975. "America's largest independent interscholastic classic" will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1975 Mansfield Relays, results of the 1974 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The Relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1974 renewal drew 236 high schools from six states - Ohio, Michigan, Pennsylvania, Indiana, Kentucky, West Virginia and Canada. One hundred and thirty-five of the schools were from outside Ohio. The field numbered 2,124 athletes.

## PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Al Ward, Relays director, or Fred Tharp, sports editor, Mansfield News Journal. Millions of inches of newspaper publicity have told the story of the Relays since its inception.

## PAST CHAMPIONS

The list of past champions in the Relays is presented here. It will pique the memory of many a Relays fan, who will recall the splendid athletes of former years.
