

# Deneen sparkles for Lake Fenton

Keith Deneen's record-breaking performances helped Lake Fenton's track team return to the Suburban Conference throne.

Deneen broke two records Wednesday at Hartland and the Blue Devils compiled 64½, Hartland was second with 53 followed by Ortonville 41½, Holy Rosary 30, Byron and Goodrich with 19 and New Lothrop with 13.

Linden, which is now a member of the County B League, had won the Suburban crown eight out of the last nine years. Only Lake Fenton, which has chased the Eagles most of those years, snapped the drought by winning the 1970 title.

DENEEN improved the long jump standard from 20-11½ to 23-foot and lowered the 100-yard dash mark from 10.1 to 10-flat. Lake Fenton's Jay Kelso held the previous long jump record set in 1972, and Linden's Randy Rife was the former holder of the 100 record.

Deneen also captured the 220 dash as Lake Fenton racked up six first-place finishes, also winning the mile relay, pole vault and shot put.

STRONGMAN Neil Masse broke the loop's oldest record with his 54-2 heave in the shot put. The mark of 52-7½ by Genesee's Jim Byrne had stood since 1968.

The Blue Devils' other individual champion was Tom Martin who took the pole vault with a leap of 11-feet.

The only other record set came from Hartland's Tim Howell. He won the mile in 4:28.5, erasing the mark of 4:29.0 set by Linden's Rick Murphy in 1973.

HOLY ROSARY'S Mark Kuyawa joined Deneen as the meet's only multiple winner, taking the 440 in 52.2 and the 880 in 2:01.

The Wolverines picked up another victory from Tim Houle with a high

jump of 5-10.

Hartland also won three events, the 440 relay in 46.2, the 880 relay in 1:35.3 in addition to Howell's performance in the mile.

ORTONVILLE had two champions, Scott Bean in the high hurdles in 15.9 and Rod Clifton in the lows with a time of 21.0.

New Lothrop's Tim Fuller took the gruelling two-mile in 10:39.6.
