FENNVILLE CROSS COUNTRY OPEN NEWSLETTER

Date: September 25, 1976

sent 9/17

Correspondence continues to roll in by mail and phone inquiring about the 1976 version of the Fennville Cross Country meet.

Based on the interest received, we will need to expand the meet to 5 divisions in order not to lose any of the basic ingredients that have made the meet fun for the kids. (I keep wondering how many more people Mrs. Moore at the Tastee Treat can handle or wants to handle. 640 free ice cream cones is called work).

The reserve races will remain in tact, the girls race will remain and be expanded to divisions and more medals, as the interest grows.

I would like to start an "Old Timers" race (open to any runner, man or woman, not presently running on a college team). Entry fee: \$1.00. Distance of 3 miles will be run at the same time as the girls team race and 9th grade boys race. If the interest is high enough, we will run a separate race. The race will hopefully be run in age groups. Classes for Old Timers Race: 20 and under, 21-30, 31-40, 41-50, 51-60, 61-70, 71 and up. (Interest is growing and please note possible schedule time change).

All this will make it necessary to change the order of the Run to facilitate the change to 5 classes.

The Run will be changed to the following order:

- 9:30 - Class I
- 10:00 - Reserves - Class I & IV - ribbons for each - run together
- 10:30 - Class IV
- 11:00 - Girls Race - multiclass - same race - approximately 2 1/2 miles - team trophies and medals. 9th grade run at the same time (Girls teams may enter all their runners but must indicate here top seven)
- 11:00 - Old Timers race - 3 miles - male and female - medals (All races from this point on may be 30 minutes later)
- 11:30 - K-8 race - boys and girls run all at the same time. Ribbons top 3 runners - boy and girl each grade.
- 12:00 - Class II
- 12:30 - Class III
- 1:00 - Reserves class II, III, V - ribbons for each class - all run together
- 1:30 - Class V

Logistics indicate I and II reserve members are getting too large to run together.

Deadline for entries is Monday, September 20, 1976.
