An Equal Opportunity Employer

A cordial welcome is extended to the athletes, coaches, and schools qualifying for the Boys' Class A and D Cross Country State Finals, as well as their supportive cross country fans. This meet is a culmination of outstanding competition throughout the State of Michigan, and we wish to express our appreciation to the Michigan High School Athletic Association for the opportunity to host this outstanding annual event.

We sincerely hope that these cross country finals will be an enjoyable and successful experience for everyone.

Phillip Runkel
Superintendent of Schools

Grand Rapids is pleased to be the host of the outstanding Cross Country event of the year, the Class A and D State Finals. The results of eleven regional meets, held previously, have identified the outstanding talent of the state that will be competing today. We wish to express our congratulations to all these young men who have reached this level of excellence, whatever the outcome today.

All of us associated with the program today are committed to provide conditions that will allow these young men to perform adequately and equally.

Russ Posthumus
Director of Athletics & Physical Education

WELCOME TO THE CROSS COUNTRY FINALS

The Final Runs today are the culmination of a long season of hard work and effort in behalf of the coaches and runners during the past season. Only those that have trained diligently and attained a high degree of excellence have qualified into the Final Event.

In behalf of the Representative Council and the more than 700 member schools of the Michigan High School Athletic Association, we welcome you to another of the outstanding Final Events for our young athletes. They deserve your support. Every parent and fan can play an integral part in the school educational program by displaying a high degree of sportsmanship, along with the athletes from your school.

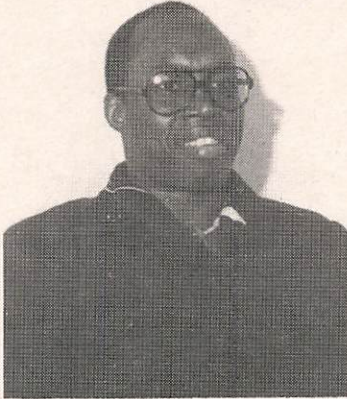

We must remember that those participating in these Final Events are here because of their dedication to the sport. Every one of the runners is number one.

Interscholastic cross country attracted over seven thousand competitors this fall. The athletes assembled here today have, on numerous occasions, demonstrated their superior abilities; even though they may not have been the first team or individual to cross the finish line. We ask the cooperation of all in attendance to do your part to assure that we will have no athlete go home a loser, regardless of the outcome of the competition.

Lonnie D. Lowery
Assistant Director

On behalf of all of the officials of this Michigan State Cross Country A & D Meet, a warm welcome is given to all coaches, participants, and spectators. It is our hope that we can conduct a meet that is indicative of the high honor of the participants qualified for this top meet of the season.

We hope that all of you will have an enjoyable and productive day.
