

Kimball High Paces Track Relays at HP

5-6-1977

The new Dan Lutkus Relays were a solid success Friday night.

Despite a sudden cold snap near the end, the former SMA Relays went off without a hitch at Hazel Park High's Grba Field.

The relays were renamed in honor of retired HP athletic director Dan Lutkus. He was on hand to present trophies.

"It was a fun meet and a good crowd attended," said meet director Bob Fulcher.

Kimball showed the way by winning seven of the 14 all-relays events. Kimball also took four of the girls' events.
