9-24-1977  
Fennville Inv.

Oh, what wonderful people you are. We had almost 1600 runners and I am sure we would have gone to 2000 if the mud storm hadn't occurred.

I realize that some times were missed Saturday and I still haven't figured out how to prevent this. My work list now totals over 45 people and we were still short-handed. Our staff ranged from our doctor on horse back, to the Safety Patrol on the roads and of course, the tractor to pull the unfortunates out of the mud.

The cider came from Crane's Cider Mill, the rain from heaven and the people from everywhere.

Logistics show over 150 medals awarded, more than 200 ribbons and 18 trophies.

A new wrinkle for 1978 - there will be no charge for "Old Timers".

Mark September 30, 1978 on your calendar.

The task of getting out 7 pages of results becomes difficult. But it was difficult when I only had one page. The results got to the CCIR News on time but then I sagged in my shoes.

If you lost anything please write to me. I have some sweats, shoes resurrected from the mud, etc.

Rockford lost their medicine kit from their station wagon. It was not marked. If you got home with an extra contact Rockford High School, Walt Lawrence.

Thanks for coming.

George Bruder, Cross Country Coach  
Fennville High School

*100 girls finished the girl race. We have grown  
from 30 girls to 100 girls.*
