# MITCA

Michigan Interscholastic Track Coaches Association

February 26, 1978

Chuck,

The enclosed list consist of runners from the Jan. 20<sup>th</sup> and Feb. 24<sup>th</sup> Macomb Meets as well as the Feb. 23<sup>rd</sup> Michigan Meet. The meet best time was 9.9 and was not included. John Burns of Bishop Forges had an 8.8 qualify but said she would not be competing. You can make a decision about the East Jackson hurdles should the 50 yard time compare favorably.

I am assuming that the EMU meet does not have girl hurdles.

Feb

P.S. I have confirmed with either coaches or runners that all names on the list will run on the 16<sup>th</sup>.
