

Mary Mullally
Holy Rosary's record setter

On track to victory

Tuesday was track day, the first of many big track days in future weeks for area high school athletes.

At Mt. Morris, Kearsley High's girls captured the Big Nine Conference championship to put some pressure on their boy counterparts, the favorite in Thursday's Big Nine boys' meet at Kearsley.

Distance runner Carol Schenk was Kearsley's big gun Tuesday, winning two events for the Hornets.

It was Montrose's day in the Mid-Eastern Eight Conference meet and a record-setting day.

Montrose won both the boys' and girls' championships. In the girls' meet, new records were set in every event.

In the boys' meet, records were smashed in 12 of 16 events.

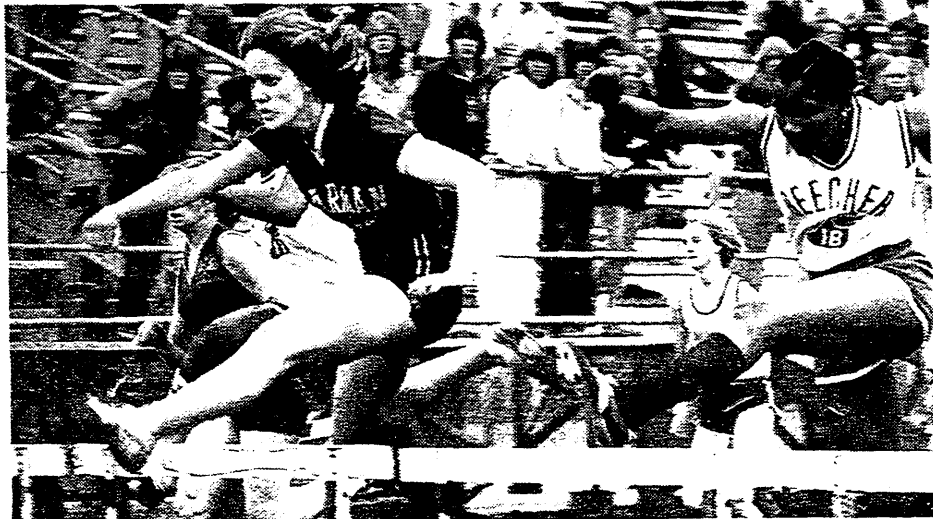

Hamady's outstanding senior Laurie Byrd set records in the high jump, long jump and high hurdles and also anchored her team's record-setting mile relay team.

For details on Tuesday's track meets, turn to page C-2 and C-8.
