 February, 1978

To: Senior High School Coaches and Officials of Boys and Girls Track  
 From: Allen W. Bush, Executive Director  
 Subject: Order of Events and Meet Regulations

When boys and girls meets are conducted simultaneously, girls track events shall precede boys track events except as indicated in the following order of events. If meets are not run simultaneously, then the events for the contestants not participating are to be eliminated from the order of events.

ORDER OF TRACK EVENTS  
 (For combined boy-girl meets)

| 3. Girls Two Mile Run   | 9. 440 Yard Dash              |
| 4. 880 Relay            | 10. One Mile Run              |

|                         | 13. Mile Relay                |

NOTE #1: 330 Yard Low Hurdles at all Regional and Final Meets (where possible) are to be run so that the curve is in the middle of the race.

NOTE #2: Boys' races may not be counted as intervening events for girls, nor may girls' races be counted as intervening events for boys.

FIELD EVENTS

Discus	Girls Shot Put - 8 lbs.
Boys Pole Vault	High Jump
Boys Shot Put - 12 lbs.	Long Jump

NOTE #3: Field Events need not be conducted in the above order.

NOTE #4: Dual meets are to be scored 5-3-2-1, therefore, a school may enter four contestants per individual event.

Preliminaries, WHEN NECESSARY, will run in the following order: Combined Boy-Girl Meets - 100 Yard Dash, 110 Yard Low Hurdles, 120 Yard High Hurdles, 220 Yard Dash.

Each Regional and Final Manager is to establish a preliminary session scratch meeting and a final session scratch meeting. All contestants entered in events for that session of competition in the Regional or the Final Meet, who do not plan to participate in all of their events for that session, must be scratched not later than the end of the scratch period for that session. All contestants who remain as entries in an event will be disqualified from further competition if they fail to compete in an event in which they are entered. Each Regional and Final Meet Manager will make the necessary adjustment in the heat assignment following the conclusion of the scratch period for each session.
