RE: MITCA TRACK CLUB REGISTRATION FOR 1979

We are in the process of setting up the indoor track schedule for 1979 with meets at Eastern Michigan, University of Michigan, Western Michigan, Macomb Community College, Jackson Community College, and hopefully in the Grand Rapids area.

The completed schedule and meet information will be mailed only to registered clubs upon the receipt of their registration fee.

We are working on expanding the girls' schedule and having a separate Championship Meet for the girls. This will be dependent upon the number of girl clubs that register and the willingness of coaches of girl teams to work. Emmett Evans of Royal Oak Dondero, will be coordinating this program. Please contact him if you are interested in helping make this program successful.

The cost of registration will be increased this year to those teams who delay their registration. This applies to only a few clubs, but it is a pain in the neck to me. Most of these clubs are from the suburban Detroit area. There is almost no way that I can check every meet to be sure all clubs are registered...it is up to coaches to be honest with us. However, if you are not registered and it comes to my attention, you will pay more money to get registered or your athletes will be excluded. As I have already pointed out this does not apply to most of you and I thank you for making my job a little easier.

REGISTRATION FEES:

BEFORE JANUARY 14 ---- \$5.00

AFTER JANUARY 14 --- \$10.00

AFTER FEBRUARY 10 --- \$25.00
