Chuck,

They are all registered but Piwinski and see  
 check on that right away. As far as I can  
 tell from the information I've received these are all  
 the jumpers that have made 6'-4" so far except  
 for the EMU meet coming up. I'll contact them.  
 Most know they're invited and have accepted. I'll  
 make sure and let you know by the 10<sup>th</sup>, Bill
