Three Area Harriers Take All-State Honors

Three south western Michigan runners earned all-state honors in state cross country meets Saturday.

Berrien Springs' Jon Johnson led the area trio by placing fifth in the boys Class C meet at Waterliet. In the same meet, Waterliet's Lynda HagenbARTH was sixth in the girls event. And at Flint, Niles' Brad Quick was seventh in the boys Class A run.

Southwestern Michigan didn't have any team champions. The best finish was sixth by St. Joseph girls in the Class B meet at Oxford. Johnson followed up his Lakesland Conference and regional championships with his fifth at state in 10:32.0.

Johnson said he met his goal of making all-state. But he said he didn't have enough energy left at the end of the race to finish higher because he "got too tired, too fast."

Waterliet's HagenbARTH made all-state, but she failed to repeat as the state meet's individual champion. She had been sick Friday and was less than fit for Saturday's race.

"This is a heck of a time to get sick, the day before the race," she said of the illness which included a sore throat and congestion.

"It was a very gutsy performance by her," declared Waterliet coach Gene Beckenrath. "She could hardly talk Friday."

HagenbARTH finished in 20:25.6, a time which was about a minute slower than her normal performance. "She has been running in the 19's," continued Beckenrath. "She had a 19:14 last week while winning the regional."

HagenbARTH will probably be heard from again. She is only a sophomore.

Niles' Quick, who is a senior, ended up seventh in Class A with a time of 10:52.8. Earlier this season, he won the Berrien County meet.

St. Joseph had 217 points while finishing sixth in the Class B team competition. Dexter took the title with 90 points.

The top three St. Joe runners were Sue Dragan, Kim Adent and Karen Melnik respectively.

(The following are the results for south western Michigan competitors in the state cross country meets, along with the winners in each event. There were team and individual runs in all but the girls Class D division. There were no area state qualifiers among the Class D boys.)
