# Wilcher notches rare track double

By Mike Van Nicker  
 Mansfield — Thomas Wilcher said he wouldn't mind if there were only two conditions to his brother's success: one, that he be a hurdler, and two, that he be from Mansfield. Wilcher accomplished his feat despite a nagging hip that doctors advised him developed from a football back injury.

When he ran down, I just got back up very easily," he smiled. "It takes me quite a while to get my energy back up after a race."

Wilcher said his Central High teammates were trying to get him to try for a year ago. He had to be convinced to try for a year ago. He had to be convinced to try for a year ago. He had to be convinced to try for a year ago.

Wilcher was the state's only competitor in the 400-meter hurdles, where he won by a wide margin. He also won the 100-meter hurdles, where he won by a wide margin. He also won the 100-meter hurdles, where he won by a wide margin.

Wilcher also ran a leg on the second relay, a 4x400-meter relay. He won that race as well. He won that race as well. He won that race as well.

Wilcher said he was disappointed that he couldn't give the state record in the 400-meter hurdles. He said he was disappointed that he couldn't give the state record in the 400-meter hurdles. He said he was disappointed that he couldn't give the state record in the 400-meter hurdles.
