# **GOLDEN MEET**

by Bill Rogers

The Mansfield Relays originated in 1927 when the late Harry Mehock invited high school teams from Ashland and Galion to compete against Mansfield Senior in a season-opening track and field meet at Senior's old Stadium Field.

Now, 49 meets later, the 1927 triangular affair has mushroomed into "America's largest independent interscholastic classic," the finest early-season high school track and field meet in the United States, and is known as the Mansfield Mehock Relays, in honor of its founder.

Not only has the meet grown in numbers, both in participating schools and individual athletes, the competition has grown fierce. There are no "soft" records on the books. Remember, the Mansfield Mehock Relays is always held early in April, yet the times and distances produced usually compare favorably with those registered at state meets.

Director Doug Castle expects "several running records to drop this year." Since 1979, all running events on the lightning-fast, 10-lane Mehock Field have been staged over metric distances.

Only change in the 1981 schedule involves holding the pole vault event Friday, with the option of moving it to Saturday, if weather conditions so dictate. Inclement weather last year nearly caused elimination of the event.

Enjoy yourself at the 50th Mansfield Mehock Relays. You could be watching a future world record holder or Olympic champion.

**SEATING ARRANGEMENTS  
For Coaches and Athletes**

There is an area at the end of the main bleacher section for coaches with access to the field. (With present facilities this is the best we can do).

The POLE VAULT PITS have been moved to the North side of the field in order to establish a finish line. Port-A-Pits are installed for the high jump and pole vault.

Scores for events will be announced over the Public Address System.

**RELAYS STANDARDS**

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

Please be sure your athlete can meet these standards.
