

1982 SOUTHFIELD-LATHRUP FRESHMAN INVITATIONAL

Southfield Civic Center
Southfield, Michigan
10-26-82

The 1982 Southfield-Lathrup Freshman Cross-Country Invitational was won by a good Brother Rice team, who barely squeaked by runner-up Troy Athens. Overall individual champion was Stuart Whitney of Troy Athens who ran a fine 17:42. This is the first running of this meet which promotes cross-country running at the Freshman level. Coach Jerry Mineweaser of Southfield-Lathrup presented ribbons to the first 30 athletes to finish, and a trophy to the champion team.

For Southfield, fourth place in this meet marked the beginning of team competition at the Freshman level as this is the first time ever that Southfield has competed with a Freshman team. We intend to continue this tradition started at this meet and will encourage Freshmen to run cross-country in the future. Andy Smith led the Blue Jays finishing 7th overall with Joe Horton finishing right behind in 8th. Marc St. Angelo followed in 12th, Jim Wyrwas 17th, Tom Beach 21st and Aaron Clinkscale 25th.
