

# Familiar pair set standards in track

Lakeview and Mount Clemens have been among the pace-setters in boys high school track for more than a decade and this year looks like no exception to that rule.

The two dominated last weekend's Sterling Heights Invitational — Lakeview finally edged the Bathers by two points — and athletes from those two schools dominate the first of the weekly listings of the top boys track performances in Macomb County.

Mount Clemens has the top performances in five events, including all three relays, while a Lakeview athlete tops the list in four categories.

Mount Clemens' individual leaders are sophomore Omar Davidson, who has been clocked in 49.6 in the 400-meter run, and senior Don Gleneski, who heaved the shot put 54-feet-111/2.

Lakeview's Frank Badalamenti is the first leader in the low hurdles (38.9) and the long jump (21-11<sup>3</sup>/<sub>4</sub>), while teammate Matt Sandner turned in the top efforts in the high hurdles (14.4) and the high jump (6-6). Sandner shares the high jump lead with another teammate, Steve Lach.

Tower's Joe Mihalic is another double leader. He tops both the 880 and mile listings with top efforts of 1:59.8 and 4:32.4, respectively.

One of the top early-season performances belongs to Lincoln's Chris Makdisi, who has a discus throw of 169-8. Last year's winning toss in the state Class A meet was 173-9. A year ago Makdisi was third in the state with a top effort of 170-7.

Lakeview coach Pat Wilson will again coordinate the boys track listings. He can be reached at home (469-0959) between 7 and 10 p.m.
