

Redwings, Corunna rule

ELSIE — St. Johns claimed the boys' track title and Corunna took the girls' crown in the Mid-Michigan B League meet held at Ovid-Elsie High School Tuesday.

St. Johns had only one individual boys' winner, but used its depth and strength in the relay events, where it won two of three, to outdistance second-place Corunna 123-103. St. Johns, Corunna and Chesaning entered the meet tied for first place with identical 4-1 league dual meet marks.

ALMA, WHICH finished fourth in the meet and in a tie for fourth with Ionia in the overall standings, had the only two double individual winners in the boys' meet — Mike Coon in the long jump and the 100-yard dash, and Pete Rittenger in mile and 800.

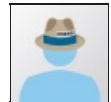

The Honke sisters — senior Marshon and sophomore Alicia — led Corunna, which was unbeaten in MMB dual meet action, to its girls' championship. The Cavaliers scored 126 points to outdistance runner-up St. Johns, which had 103.

Marshon Honke set league records in winning both the hurdles events and also took first in the long jump, while Alicia won the 100- and 220-yard dashes. Both also played a major role as Corunna swept the relay events.

Alma was third both in the meet and the final overall standings. Alma had the only other multiple winner in the girls' meet as Lisa Peska won both the shot put and the discus.
