

SMA meet: An album of shattered records

Outstanding times and close races highlighted the Southeastern Michigan Association track meet Tuesday at Hazel Park High.

"What a great meet!" enthused Hazel Park coach Bob Fulcher, the meet director.

Several SMA and field records fell in the second year that the competition was held on a metered track.

The 1600 and 800 runs in the boys meet epitomized the event. Mark Williamson of Hazel Park captured the 1600 in 4:18 with runnerup Treg Scott of Birmingham Seaholm just a step behind in 4:19.1.

SCOTT turned the tables in the 800, winning in 1:55.4. Williamson was second in 1:55.5, just one-tenth of a second off the pace.

Southfield was the boys winner, compiling 129 points. Defending champion Troy (107), Hazel Park (68), Ferndale (56), Seaholm (54), Berkley (36), Royal Oak Kimball (32) and Bloomfield Hills Andover (18) rounded out the field.

The Jays won the overall crown (including dual meets), followed by Troy, Hazel Park and Ferndale.

Troy's Bradd Morse (discus) and shot put) and Terrence Robinson of Southfield (100 and 200) were double-winners.

BERKLEY won the girls competition and the SMA overall title. The Bears, who compiled 118 points, Kimball and Troy all posted 6-1 dual meet records.

Following Berkley at the league meet were Seaholm (86), Kimball (79), defending champion Southfield (75), Troy (60), Andover (24), Ferndale (14) and Hazel Park (9).

Kimball, Seaholm, Troy, Southfield, Andover, Ferndale and Hazel Park trailed the Bears in the overall standings.

Berkley's Joanne Mecoli was the lone double-winner, taking both hurdles.

Here are the winners:

BOYS

Discus: Bradd Morse (Troy), 164-2½ (SMA record)
