

Lakeview wins track showdown ⁵⁻¹⁻¹⁹⁸²

A high-scoring twosome on the Lakeview High boys track team racked up another impressive tally of points in an early showdown victory over Grosse Pointe North in the Bi-County League.

Frank Badalamenti won three events and anchored a winning relay while Matt Sandner was a double winner and a member of two winning relays in the Huskies' 78-54 conquest.

"They're two real good seniors," commented Lakeview Coach Pat Wilson. "We can always count on them to score a lot of points."

Lakeview wasted no time taking charge in this meeting of unbeaten teams that are traditional powers in league competition. The Huskies jumped out in front with a commanding 31-14 margin in the field events.

Lakeview slammed the high jump with Sandner, Steve Lach and Joe Kruszyna. And Badalamenti, Sharad Dicksheet and Bill VanCoillie made it a sweep in the low hurdles.

In addition, Lakeview piled up points in three other events with one-two finishes.

The win boosted the Huskies' record to 4-0 while GP North slipped to 3-1 in the league.
