LIVINGSTON COUNTY

Welcome to the 1983 Final Cross Country Meet. This event is one of 36 M.H.S.A.A. sponsored FINAL events in the Upper and Lower Peninsulas to be held during the 1983-84 school year. Approximately 901 Tournament Managers and schools will be involved in hosting District, Regional and Quarter-Final events. This will include 476 at the District level and 321 at the Regional level. Over 320 individuals will serve on committees to help plan the details of the meets and tournaments and over 200,000 students will have the privilege of competing for their schools in these M.H.S.A.A. sponsored events.

It is with great pride citizens of the state of Michigan support the high school athletic programs. They are proud of the young people who represent their schools, whether they compete in one tournament event or through the Championship events.

Congratulations to all students competing in today's meet and to the students and adult spectators who have taken the time to support high school athletics. Enjoy the meet, and may good sportsmanship prevail at all times.
