THIS BOOKLET IS FOR VITAL INFORMATION CONCERNING
MANSFIELD RELAYS AND FOR THOSE PERSONS INTERESTED
IN RELAYS RECORDS.

FUTURE RELAYS

BY Bill Rogers

Mother Nature dealt us a devastating blow last year when she covered Malabar High School's Mehock Field with a heavy blanket of snow, forcing cancellation of the Mansfield Mehock Relays for only the second time since the 1927 inaugural meet.

Not since the World War II years of 1942-46 had the Relays been cancelled, but six inches of snow on the 10-lane track were too much for us to handle. But this is 1983 and we have returned -- hopefully, bigger and better than ever!

Beginning this year, meet officials are pushing the originally scheduled dates back one week in an effort to overcome Mother Nature's whims. Plan to be in Mansfield April 15-16 to compete in the finest early-season high-school track and field meet in the United States.

Future world-class athletes get their first taste of "real competition" at Mansfield. Three recent Mansfield Mehock Relays champions -- Dave Volz (pole vault), Milton Ottey (high jump) and Mike Miller (200-meter dash) -- registered world-leading marks in their specialties during 1982. Volz and Ottey are Relays record holders.

We missed you in '82! Although the 51st edition of the Mansfield Mehock Relays will be run one year late, it promises to be a tremendous meet. See you in April!

FUTURE RELAYS DATES

1984 - April 20-21
 1985 - April 19-20
 1986 - April 18-19
 1987 - April 17-18

RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

Please be sure your athlete can meet these standards.

For Coaches and Athletes

Scores for events will be announced over the Public Address System.

RELAYS DIRECTOR - Doug Castle, in his 4th year as meet director, has been associated with the Relays for sixteen years. He is a Mansfield native and a graduate of Marietta College. In addition to the duties as Relays Director Doug serves as the Principal at John Simpson Middle School.

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 51st renewal of the Mansfield-Mehock Relays which will be staged April 15-16, 1983. "America's largest independent interscholastic classic" will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1983 Mansfield Relays, results of the 1981 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1981 renewal drew 172 high schools from six states: Ohio, Michigan, Pennsylvania, Indiana, West Virginia, Kentucky and Canada. One hundred and twenty-five of the schools were from outside of Ohio. The field numbered 1355 athletes.

The 1982 Relays were cancelled due to snow. We hope you were not caused too much inconvenience. We welcome you back in "83".

PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Doug Castle, Relays director.

RUNNERS WILL BE DISQUALIFIED
ON THE FIRST FALSE START!

It is a false start if a runner fails to comply with the starters' commands, or if a runner is in motion after the command "set", or if a runner leaves the mark with a hand or foot after the "set" instruction but before the pistol is fired, or if a runner leaves the mark without pistol being fired. **THE OFFENDER OR OFFENDERS SHALL BE DISQUALIFIED.**
