REGIONAL TAKES ITS TOLL — Saturday's Class B cross country regional at Messenger Lake Park was no piece of cake. In the girl's race, Coldwater's Marianne Exelby is seen bearing down on the finish line while she passes a fallen runner from Jackson Lumen Christi. Exelby finished 11th, as she and teammate Dawn Valle qualified for the state meet this Saturday at Fenton. The Cardinals' Scott Gleason also qualified in the boy's race. (Photo by Andy Flanagan)

3 Coldwater Harriers Qualify For 'B' Meet

Coldwater High cross country runners Scott Gleason, Marianne Exelby and Dawn Valle all qualified Saturday for the Class B state meet in regional action at Messenger Lake Park.

Jackson Lumen Christi took team honors in both the boy's and girl's races. Okemos was second and Hillsdale third in the boy's race while the Hornets were second and Jackson Northwest third in the girl's run. The Cardinal boys were ninth and the girls sixth, as the top three teams qualified for the state meet Saturday at Fenton.

Gleason placed fourth with a time of 16 minutes, 23 seconds to earn his second trip to the state meet. The junior went with the team last year and placed 19th.

Coldwater's next best finish was Nick Loomis, who hit the tape at 17:46, good for 36th place. Brian Licht was 43rd at 18:00, Matt Morgan 56th at 18:20, Jeff Licht 79th at 19:05 and Paul Fox 94th at 19:56.

Rob Rinck of Lansing Waverly paced the boys with a time of 16:07. Lumen Christi had 50 points, Okemos 84 and Hillsdale 91. Waverly was fourth with 112 points while Coldwater had 218

as 15 schools competed.

Exelby qualified for the state meet by running a 20:27, good for 11th place. A senior, Exelby was 26th at last year's state meet. Sophomore Valle was just behind Exelby at 20:30, good for 13th.

Shelly Angle was next for the Cards at 22:30, good for 40th. Mary Nowak was 44th at 22:38, Michelle Laughry 49th at 23:06, Shelly Thompson 50th at 23:07 and Kristin Bell 60th at 24:07.

Denys Adams of Okemos easily paced the field, winning in 18:19, over a minute better than the runnerup. Lumen Christi edged Hillsdale for team honors, 57-59, while Northwest had 91 points. Okemos was fourth at 109 and Coldwater had 157 points as 12 schools took part.

Coldwater also hosted the Class D regional, which Concord won with 31 points, easily beating Battle Creek St. Philip's total of 87. Less than nine teams finished, so those two were the only teams to qualify for the state meet.

The Tigers' Paul Beasley paced the field with a time of 16:47 and teammate Greg O'Daniel was second. The Yellowjackets had five of the top 10 runners.
