

CROSS COUNTRY INVITATIONAL RESULTS

VOL. XIV No. 10

state finals/all-state/season wrap-up

L-STATE::: The MICHIGAN INTERSCHOLASTIC TRACK COACHES ASSOCIATION(MITCA) recognizes the top seven(7) finishers in each race of the state finals as all-state for each class, In addition any runner that matches the seventh place time from the other race in their class also earns all-state honors. Runners from the individual race are marked with *.

Cross country has lost several great men lately. The retirement of Norb Badar/Flint Northern Michigan and Ben Gomez/Ludington; Keith Hoekwater/Kalamazoo Christian; Tim Roach/Mattawan took some good men from our program. Tim & Keith were great for my program because they were in our area and always helped build strong teams. You rise to the level of your competition and they helped improve the quality of my program because you had to be good to compete with them. They were fun to run with because they really were for the sport, they helped you and they helped bring the best in you out. I am sorry to say that Jack Grant/Sturgis has said that this was his final year for cross country. Jack, along with Keith & Tim, really did a lot for cross country in this area of the state. And their leaving the sport, is the sports loss. I really appreciate all they did for cross country and for helping me. Norb I never had the privilege to compete against, but his help and work at TCA along with the quality of his program help all of us in cross country. Ruben I met through MITCA at MITCA and at the state championships. The past few years since our cross country team has been spending a week at the Ludington State Park in the summer I got to know Ruben as a friend. He ran a solid program at Ludington and helped us all by providing a quality program for us to compete with.

I have always said I have never worked a day in my life. And a lot of people agree with that. I mean that I don't consider the classroom/coaching work. It is my fun/relaxation. I am doing what I want, with a great group of people. And just want to express my thanks to those men for what they have done for a great sport.....

UPPER PENINSULA CROSS COUNTRY MEET
at Marquette Golf & Country Club.

MITCA TRACK CLINIC

HYATT REGANCY HOTEL- FLINT FRI/SAT JAN. 13/14
 REGISTRATION 5:00 PM PROGRAM BEGINS 6:00 PM
 COACH OF YEAR BANQUET SAT- NOON... CLINIC RUNS TIL 5/6:00 PM SAT...
 LEARN - BY - DOING PROGRAM ON SATURDAY

Well this ends another season of cross country and another year for CCIR. It would have been impossible without all of the help from coaches/meet managers/rating panel getting the information to us. Thanks a lot. A thanks to Brandywine for being able to use their copy equipment to run the issues off. Several kids at the school for helping put each issue together each week and the librarian for letting her aids put the issues together. To my own kids for all the times they were hooked into working, especially Timmy who did a lot of putting the teams together from the meet results. And of course CCIR would not exist if Mary were not willing to do all of the work. The hours she spends in the basement with the typewriter and on the phone each week are unbelievable.

I had a great year with cross country at Brandywine. From 4 years ago when the school was planning/talking about dropping the sport as part of a budget cut and barely having enough for a team to this year with 16 boys and 9 girls- our largest turnout. The girls team going undefeated/winning the conferenc/regional and going to the state. Both teams winning invitations (my first); having one of my girls make all-state (my first). Having three of my kids out there running. And really having just a great bunch of kids, my only real disappointment was that season ended. Just a great year.....

It looks like CCIR is going to require a major investment on our part. Plans are under way to shift the administration offices to another building and with them the copy machine. If that is done I will have to go back to ditto's (which won't work) or investing in a copy machine. That is what we are leaning towards now. That will probably lead to a buck or so increase if we can set up a way to finance the machine over a few years.

Anyways- thanks to all and hope that we see you at MITCA Clinics this winter.....

One final thing- on the second page I made mention of four individuals that retired from cross country that I knew- I am sure that there are other individuals who also made great contributions to our sport that I did not know and I would also like to thank those individuals for their work and contributions to cross country.....
