## DEDICATION

This Season Summary Booklet is dedicated to five athletes who, for the past four track seasons took part in establishing the tradition of success that is Southfield Track & Field.

To weight men Kevin Mendelson and Rob Montgomery, middle distance runner Mike Cho, and sprinters Darryl Sailor and Greg Towns we dedicate this Season Summary Booklet as well as the memory of a combined 31-1 dual meet record, 3 SMA Championships, a Regional Championship, and an Oakland County Championship. It is our wish that the success they have earned these past four years will carry over for them in their future endeavors.

## P R E F A C E

The 1984 track season had Southfield carry on as one of the finest track schools in the area. Our traditionally successful team worked very hard in turning in their 3rd straight undefeated (8-0) dual meet campaign. We netted our 3rd straight SMA title and took our first ever Regional, Lahser, and Ambrose titles. Our Blue Jays placed 15th at the State Meet, and we were blessed with a State Champion, Jerome Greear in the long jump.

We developed as a team and in 1984 learned many lessons (some the easy way, and some the hard way) that we hope will carry over for each of us in the future. We were proud to be together as our team's success was based upon many individuals achieving team-oriented goals. Together we laughed, we cried, we cheered, and we agonized. In the end, track & field helped us all to grow physically, mentally, socially, and spiritually. It is my hope that we will get out of our participation in track as much as we have put into it.

# Southfield, Huskies are prime contenders

By MARK MARENETTE  
Special to The Oakland Press

The Oakland County boys and girls track championships just may turn out to be a giant dual meet between Southfield and Pontiac Northern.

Defending boys champion Southfield destroyed the rest of the field at the Troy Athens regional Friday with 114½ points, while Northern piled up 138 points to claim the West Bloomfield boys regional. In the girls competition, Southfield tallied 95 points for the Troy Athens title and Northern won the West Bloomfield crown with 114 points.

Clawson will host the Oakland County girls meet Thursday and Bloomfield Hills Lahser will be the sight of the boys meet on Friday.

Both the Blue Jays and the Huskies relay on the same strengths for their programs — speed. Southfield's boys also will score points in the field events with long jumper Jerome Greear, while Northern's girls have solid ability in the longer runs with Alma Levier.

Birmingham Brother Rice, Troy, Rochester and Lakeland will all be a factor in the outcome of the county boys meet as each school has a large number of talented thinclads. Meanwhile, West Bloomfield, Bloomfield Hills Andover, Rochester and Rochester Adams have what it takes to give the favorites a tough time.

Of the individual duels at the county championships, two stand out to be especially close — Southfield's Torin Dorn, Northern's John Washington and Royal Oak Shrine's Rodney Lackey in the boys 100 and 200 meter dashes and Birmingham Seaholm's Michelle Bews and Shrine's Terre Stouffer in the 1600 and 3200 meter runs.

Dorn, Washington and Lackey have all clocked a 10.8 in the 100 meter event, while Lackey has gone 21.9 in the 200 meter event and Dorn has gone 22.0. Bews has run a 5:00.1 in the 1600 meters with Stouffer turning in a 5:03.8. In the 3200 meter run, Bews has a 10:44.4 to her credit and Stouffer an 11:10.7. Bews won the state Class A cross country title and Stouffer the Class B crown.
