THIS BOOKLET IS FOR VITAL INFORMATION CONCERNING
MANSFIELD RELAYS AND FOR THOSE PERSONS INTERESTED
IN RELAYS RECORDS.

FUTURE RELAYS

BY Bill Rogers

The Mansfield Mehock Relays is renowned as a quality track and field classic, the finest early-season interscholastic meet in the United States.

Annually, we attract the top high-school athletes from a six-state area and Ontario, Canada. Our "alumni" have held numerous world records, as well as having won gold medals at seven different Olympic Games.

But have we become too good? Do you, as a coach, shy away from bringing your team to Mansfield because "average" athletes have little chance of winning a medal? If so, then maybe you should have a change in attitude.

You are correct, only the outstanding performer can hope to grab a gold medal at the Relays, but a world of experience can be garnered by a youthful trackster, simply by competing here in Mansfield.

Just running against—or possibly only watching—the likes of a Clinton Davis can prove invaluable to an impressionable youngster who hopes to discover his moments of glory in track.

Our meet is a training ground for future international stars. Give your athletes the opportunity they deserve. Let them be a part of this tremendous meet. What they learn in Mansfield in April could help their teams immensely in subsequent state and provincial competition.

FUTURE RELAYS DATES

RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

RELAYS DIRECTOR - Doug Castle, in his 5th year as meet director, has been associated with the Relays for seventeen years. He is a Mansfield native and a graduate of Marietta College. In addition to the duties as Relays Director, Doug serves as the Principal at John Simpson Middle School

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 52nd renewal of the Mansfield-Mehock Relays which will be staged April 20-21, 1984. "America's largest independent interscholastic classic" will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1984 Mansfield Relays, results of the 1983 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1983 renewal drew 150 high schools from six states: Ohio, Michigan, Pennsylvania, Indiana, West Virginia, Kentucky and Canada. One hundred and twenty-five of the schools were from outside of Ohio. The field numbered 1200 athletes.

PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Doug Castle, Relays director.

RUNNERS WILL BE DISQUALIFIED ON THE FIRST FALSE START!

It is a false start if a runner fails to comply with the starters' commands, or if a runner is in motion after the command "set", or if a runner leaves the mark with a hand or foot after the "set" instruction but before the pistol is fired, or if a runner leaves the mark without pistol being fired. **THE OFFENDER OR OFFENDERS SHALL BE DISQUALIFIED.**
