Lumen Christi Whips Coldwater Harriers

JACKSON — Jackson Lumen Christi High showed Coldwater why it has the top rated cross country teams in the state Monday as the Titans beat the Cardinals in boy's (20-43) and girl's (22-37) competition.

Coldwater didn't come away empty-handed, though. Scott Gleason took over first place with less than a mile to go and hung on to win in 16 minutes, 55 seconds. Lumen Christi, though, took the next seven spots.

The girl's race was also close for first place, with Cardinal Marianne Exelby leading in the last half mile only to be nipped at the wire by the Titans' Charlotte Huffer. Huffer was clocked at 20:50, Exelby at 20:51. Col-

dwater's Dawn Valle was fourth at 21:06 before Lumen Christi took the next four spots.

"We really could have run better," Coach Jim Bilsborrow said. "We had a runner fall in both the boy's and girl's race. But Lumen Christi definitely has two outstanding teams. The kids found out what really tough competition is today. It should help us be better runners going into the conference meets."

Both Coldwater teams will swing into Twin Valley action Wednesday against Albion and Hastings at Albion. The boy's race begins at 5 p.m. and the girl's at 5:30.
