# Relays Athletes Shine in "84" Olympics

By Bill Rogers

Long heralded as a springboard to international stardom for outstanding track and field athletes from the United States, the Mansfield Mehock Relays is rapidly gaining a similar reputation for Canadian youngsters.

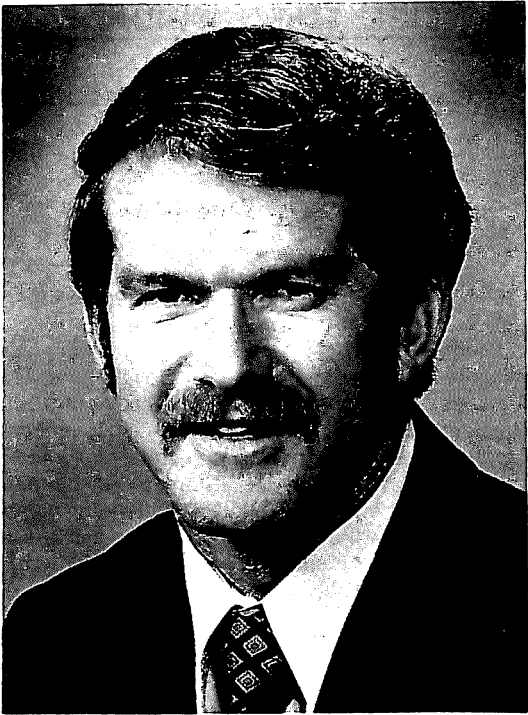

Former Relays participants were quite prominent as members of the Canadian Olympic team last summer in Los Angeles. Ben Johnson (100-meter dash champion in 1980 and '81 and 200-meter dash champion in '81) captured a bronze medal for his third-place finish in the Olympic 100-meter dash, as well as picking up another bronze for his leadoff leg on the third-place-finishing 4 x 100-meter relay team.

Also pocketing bronze medals as members of the relay quartet were former Relays stand-outs Anthony Sharpe, present 100-meter dash record holder (10.4, set in 1979), and Sterling Hinds. Helping the unit during preliminary heats was Atlee Mahorn, who anchored the winning 4 x 400-meter relay team from Toronto Central Tech in Mansfield last spring.

Sharpe was an Olympic finalist in the 100-meter dash (eighth), while former Relays placers, Mark McCoy and Jeff Glass, came in fourth and eighth, respectively, in the 110-meter high hurdles. Milton Ottey, a three-time Relays champion, leaped to a sixth-place finish in the high jump.

Will Toronto Central Tech have the necessary depth this spring to defend its 1984 Relays crown? Last year, Central Tech became only the second Canadian school to snare the team title at this prestigious classic that annually draws the top high-school athletes from a six-state area and Ontario, Canada.

Four records were broken and another tied in 1984. This year, there probably will be another onslaught on the records, as the athletes just keep getting better and better. The Mansfield Mehock Relays is — as advertised — the finest early-season high-school track and field meet in the United States. See you at Mehock Field!

**RELAYS DIRECTOR - Doug Castle, in his 7th year as meet director, has been associated with the Relays for twenty years. He is a Mansfield native and a graduate of Marietta College and Akron University. In addition to the duties as Relays Director, Doug serves as the Principal at John Simpson Middle School.**

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 53rd renewal of the Mansfield-Mehock Relays which will be staged April 19-20, 1985. "America's largest independent interscholastic classic" will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1985 Mansfield Relays, results of the 1984 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1984 renewal drew 150 high schools from five states: Ohio, Michigan, Pennsylvania, Indiana, Kentucky and Canada. Ninety of the schools were from outside of Ohio. The field numbered 1200 athletes.

**ELIGIBILITY AND RULES OF COMPETITION**

## RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.
