Dear Coaches and Athletic Directors:

We have appreciated your participation and support over the fourteen years that Comstock has hosted "Derby Day Relays".

Due to ever-tightening budgets, difficulty in obtaining help and personnel changes, we will not be running this event any more. Barry Dopp is dropping the men's position and will be our head women's coach next year, since Pat Ashby is retiring from coaching.

We have seen many outstanding performances over the years and have had the pleasure of making the acquaintance of many fine athletes and outstanding coaches. I'm sure our paths will cross often.

Thanks again for all your support.

Sincerely,

Jay Stickle  
Athletic Director
