ALL-OAKLAND COUNTY CROSS COUNTRY CHAMPIONSHIPS  
1986

To all of the coaches, athletes and workers at this 1986 championship meet:

You know how to make my day. I feel that it was the best meet we have ever had. Your efforts were outstanding and I can't thank you enough.

With all of the teams entered, I was very apprehensive about the start and even more so at the finish line.

There were three chutes, and the girls did such a fine job that it was not necessary to go to the others. The boys did use all three of the chutes, but with 260 plus runners and the rate of crossing the line such as 66 in 1 minute, 78 in one minute and 75 in one minute, it required outstanding work on the part of all.

Tom Kearney was really pushing the buttons on the chronomix. Thanks for a fine job.

Bruce Gilbert, John Fundukian, George Heitch, Lee Averill, Bob Stark, Randy Wilkins were responsible for most of the good work in the chute.

Chuck Jones and four of his helpers from Kimball high school, did the scoring and had results in short order. Clyde Ewell had two computers available and three student operators from Kimball had printouts available to me by 12:30. Great work.

Lisa Averill handled the scoring strips and had them posted and available for viewing before the awards ceremony. Thanks Lisa.

Russell Averill and Joe Sanders, the early birds, Helped me stake all of the turns and they controlled the traffic, when the runners crossed the road.

Thanks, coaches, for getting your score sheets in early. It was a big help.

41 boys teams and 37 girls teams. That has to be the largest meet ever run in Michigan.

Good luck to all of you at your League, Regional and State Meets. Best of wishes.

Thank you,  
*Bernie N. Ambrose*
