I can't believe that the season is over. To your credit, it ended on a positive note. We made it to the finals and you kids will be able to tell your kids some day about how hard it rained at the 1986 state finals...and how you didn't let a little bad weather bother you.

As a team, we ran pretty decent. Nobody completely bombed and it wasn't one person who was responsible for our placing. Had everyone run their best time today, the girls would have been 6th and the boys would have been 15th. The last time I looked, the 6th and 8th place trophies looked the same as did the 15th and 18th!

I must say that, despite the rain, I had a good time with you kids. I would have much rather been with you kids than with the thousands of others who spent Saturday afternoon eating potato chips and watching TV! You made it to the state meet....some of you for the 4th time....you are the elite of M.H.S.....and I'm proud of all that you've accomplished this year.

...and not only this year. Senior girls....7th, 2nd, 4th, and 8th in the state in the last four years. You have put Milford in the top five teams in the state for the 1980's. Three KVC titles and four Oakland County championships and a 4th straight regional...WOW! Senior guys....four winning seasons and a KVC championship....just think, some athletes go through four years and never win a league title or get to compete in a state meet. You've done both!

Take some time off....relax a little...girls, you can catch up on the soaps. Enjoy the rest of the month. After that, it'll be time to get ready to think about 1987. P.S. The first winter "fun run" is December 1!!!!

WEDNESDAY, NOVEMBER 5.....Meet in room 210 for the last meeting of the year and REMEMBER TO BRING YOUR RUNNING GEAR.....WASHED.
