D E D I C A T I O N

This Season Summary Booklet is dedicated to the parents of our track athletes.

It is a goal to have track be a positive experience for everyone involved. It is a goal that cannot be reached without the positive involvement of our parents.

To those who have supported us at meets, or have had to make special arrangements to buy equipment, or have had to adjust domestic schedules to meet the track schedule, my deepest appreciation is here expressed.

P R E F A C E

The 1986 track season was one where Southfield's reputation of traditional success was seriously challenged. Our Blue Jays began the season slowly and never really recovered from the many distractions they were due to endure.

Yet in an admirable attempt to justify their reputation, they were able to finish respectfully at invitationals that were entered: 3rd at the West Bloomfield Invitational, 1st at the 9th Grade Oakland County Meet, and for the 3rd straight year captured the Lahser Relays Championship. Our overall MVP this season, Rudy Redmond carried on our traditional success in the hurdles earning All-State honors by finishing 2nd in the high hurdles at the State Championship meet.

Again we will graduate student-athletes that have experienced the emotional thrills and disappointments that accompany participation in a varsity high school sport. My goal is that the track experience will remain with us for the rest of our lifetimes. My hope is that it be a positive memory.

We physically part company for now. We may not meet again for quite some time, and some of us may never meet again. But, we are all related because together we grew as students, athletes, coaches, teachers, and companions during the 1986 track season.
