Central Tech Seeks Third Championship

By Bill Rogers

Can any team sidetrack Toronto Central Tech's drive toward a third consecutive Mansfield Mehock Relays championship? Are the high-spirited blues destined to become only the second team in Relays history to reach this threshold of excellence?

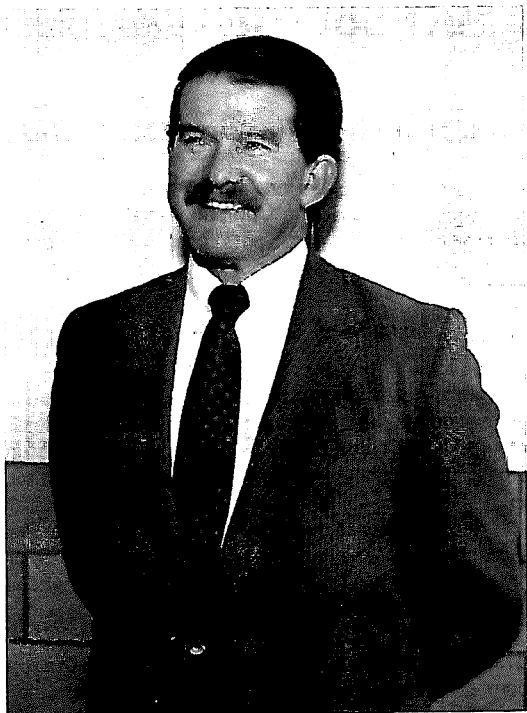

Not since host Mansfield Senior captured the first four Relays titles (1927-28-29-30) has any school succeeded in registering more than two team victories in a row.

The Canadian powerhouse has shown amazing running depth in posting back-to-back championships. Last spring, the Toronto school scored 62 points, the most since Cleveland East Tech totaled 78 in 1940. Will Central Tech dominate again?

Mehock Field's lightning-fast 10 lanes have been refurbished, and they are ready for the annual assault by competitors from a six-state area and Ontario, Canada. This year, the athletes will be competing on a colorful red-sealed track, not the black surface so familiar in the past.

One field and three track records fell last year, when sunshine and temperatures in the 80's combined to make the 53rd edition one of the most enjoyable. The weather remains unpredictable, but the caliber of the athletes nearly always guarantees record-setting performances at this prestigious classic.

To beef up Friday's schedule, Relays officials have added a second field event, the increasingly popular triple jump, to be showcased along with the pole vault. Long known as the hop, step and jump and not contested in many states at the high-school level, the triple jump is an exciting event for spectators.

RELAYS DIRECTOR - Doug Castle, in his 8th year as meet director, has been associated with the Relays for twenty-one years. He is a Mansfield native and a graduate of Marietta College and Akron University. In addition to his duties as Relays Director, Doug serves as the Principal at John Simpson Middle School.

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 54th renewal of the Mansfield-Mehock Relays which will be staged April 18-19, 1986. This independent interscholastic classic will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1986 Mansfield Relays, results of the 1985 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1985 renewal drew 145 high schools from five states: Ohio, Michigan, Pennsylvania, Indiana, Kentucky and Canada. Ninety of the schools were from outside of Ohio. The field numbered 1100 athletes.

ELIGIBILITY AND RULES OF COMPETITION

Track - We have an all weather track composed of asphalt, rubber and sand. It has ten, 42-inch lanes all around the track. There are also two vaulting, high jump and long jump areas. The shot put and discus pads have a rough cement surface and long jump pits have white sand.

ONLY SPIKES NOT EXCEEDING ONE-FOURTH INCH MAY BE WORN ON THE ASPHALT SURFACES.

However, if the athlete desires to wear rubbersoled shoes that is his privilege. The athlete's shoes will be closely checked and if the spikes do not meet the requirements, they will not be able to use them.

RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.
