# ***SEASON SUMMARY***

" Ode To Track And Field"

The greatest monument to man  
Is this - he's done the best he can.  
And if that isn't quite enough,  
And if the edges still are rough,  
We know the best that life can yield  
Is found here on the track and field.

You work and sweat and do your best  
To raise yourself above the rest,  
And hope that you can then succeed  
And finally then, fulfill your need.  
You try to get your muscles healed  
To do your best in track and field.

But then in spite of all you do  
It's not enough to see you through.  
Your plans are dashed down on the ground,  
You look to see if friends abound,  
And if they doubt, your will is steeled  
To then excel in track and field.

The will to win is dominant,  
The other pleasures you recant.  
You work so hard, you flog yourself,  
Imagine trophies on the shelf.  
You're then the fish desire has reeled  
upon the rod of track and field.

If sometimes what you do goes bad,  
You recall all the friends you've had.  
The best that falls to you and me  
Is found in that fraternity  
Of love and trust and closeness sealed  
There in the sport of track and field.

Epilog -- 1988 Resume, Results, & Listings	

## P R E F A C E

The newspaper clippings collected during the 1988 track season tell the story of how easily Southfield High School's boys' track team laid waste to the competition enroute to a state title. Maybe so.

The resume of a group of students -- 57 officially -- not only includes the credentials of state-class performances and first place finishes, but also includes the not so obvious qualities of commitment, dedication, and sacrifice. Commitment and dedication were understood and accepted. It was sacrifice that was so invisible to those outside our family circle.

Congratulations to the state champs. Even more, congratulations to the families of the state champs. There are many that rode that emotional roller-coaster before us and there will be many that ride it after us. We can now step off that ride and reflect on the support we were given by everyone as we took that last victory lap in Ypsilanti. A lifetime of memories based upon such a short period of time.

Who can forget Jeff coming off the curve, or Jason holding off the challenges in the relays, or Bobby, or Ron. Who will forget the enthusiasm of Ricky D, the tenacity of Cass, the disappointment in Gibby's face, or the 4 x 8 and 100m guys at the regional ... or the shuttle hurdle relay. The snow, the dinner, the movie, and the exchanges at Mansfield. The last laps at West Bloomfield, Milford, BN Lahser (2 occasions) and Holly. Coach Kearney. Eugene, Jamar, Marvin, Phil, Big Rich, Goggles, and Bliev. The Southfield middle school meet. Who will ever forget Troy, Pontiac Central, Wayne Memorial, Cooley, or Jackson.

In spirit we will be together forever. We learned to compete; to participate to the best of our abilities; and to place ourselves above the rest by our professional conduct and approach. We took pride in each other, and set examples for others to follow.

The Vern LaBenne Award is presented each year to an athlete who has shown loyalty, dedication, and exemplary leadership in the track and cross-country programs of Southfield High School.

The award is named for 1960 cross-country captain Vernon LaBenne. After his tragic death in 1963, Vern's family donated a trophy in his name to Southfield High School. Each year a deserving athlete is honored in Vern's name. This year's recipient of the award is Eric Blievernicht.

In his senior year, Eric completed his 3rd season of cross country and his 4th season of track. He was our cross country captain this year. Ever willing to go any distance at any time, Eric held down the 1600m & 3200m distances.
