WHERE'S THE STOPPER?

By Bill Rogers

Is there any team capable of derailing the Toronto (Ont.) Central Tech express this spring? Who has the depth to clip Central Tech's recording-tying winning string at four?

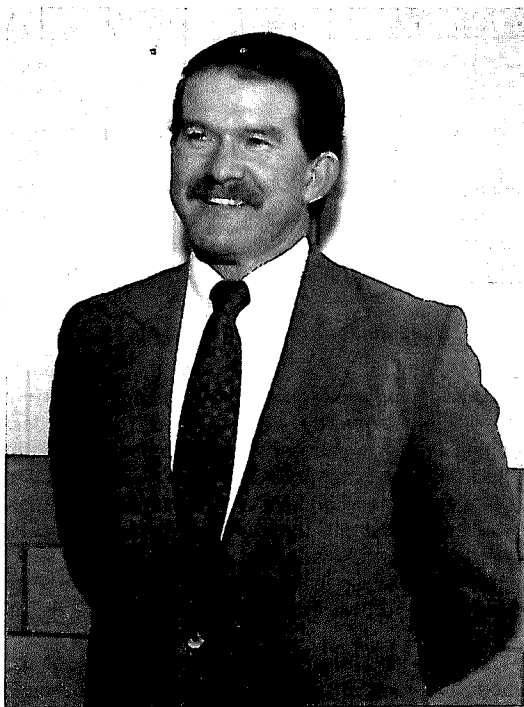

Not until 1973 did a Canadian school — Toronto Michael Power — capture the team title at the Mansfield Mehock Relays. Recently, the Central Tech Blues have been making a habit of carting the championship trophy over the border each year.

Last April, Central Tech made it four straight titles to match Mansfield Senior's record skein set when the now-prestigious meet was barely more than a local affair (1927-30). A fifth consecutive triumph would place the Blues on a pedestal by themselves.

There were six records broken and a seventh set in a new event (intermediate hurdles) during last year's meet, which featured more than 1,500 athletes from 176 high schools, representing six states and Canada.

At least four former individual champions are expected to compete this year, including 1987 gold medalists Bob Kennedy of Westerville North (1500-meter run) and Chris Nelloms of Dayton Dunbar, who won the 200-meter dash as a freshman. Kennedy finished first in the national high-school cross-country championship meet in San Diego last December.

In this Olympic year, it is only fitting that we mention Ben Johnson of Canada, the world-record holder in the 100-meter dash. Johnson, who won his specialty here in 1980 and '81, could become the **eighth** Mansfield Relays individual champion to win an Olympic event this summer in Seoul, South Korea.

RELAYS DIRECTOR - Doug Castle, in his 10th year as meet director, has been associated with the Relays for twenty-two years. He is a Mansfield native and a graduate of Marietta College and Akron University. In addition to his duties as Relays Director, Doug serves as the Principal at John Simpson Middle School.

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 56th renewal of the Mansfield-Mehock Relays which will be staged April 15-16, 1988. This independent interscholastic classic will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1988 Mansfield Relays, results of the 1987 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1987 renewal drew 176 high schools from five states: Ohio, Michigan, Pennsylvania, Indiana, Kentucky and Canada. Ninety of the schools were from outside of Ohio. The field numbered 1500 athletes.

RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.
