

Richardson excels in Honor meet

Everett's senior star shatters two records

It was last time Marcel Richardson would compete in a track meet in front of family and friends.

In the worst way, he wanted to make Wednesday's Honor Roll of Champions Track Meet special, and bow out at home in style.

He did.

Richardson, an Everett High senior, set two meet records, including a brilliant leap of 25 feet, 3¼ inches in the long jump at Sexton's Memorial Stadium. He shattered his own mark of 24½, set last year.

Because of the state meet on Saturday, Richardson did not compete in the 100- and 400-meter dashes. But he captured the 200, edging Sexton's Alan Haller by two-tenths with a record clocking of 21.5 seconds.

On Saturday, Richardson will go for titles in the long jump, 400, 400 and 800 relays in the Class A state meet at Eastern Michigan.

"Since this is the last time everyone can see me, I said 'I want to go out in style and do the best I could,'" Richardson said. "This is a good meet to go out and relax and have fun. I wanted to run in the 400, too, but my coach (Ron Barr) wanted me to rest my legs for Saturday."

Richardson certainly didn't hold back in the long jump. He even stunned himself with his record-setting jump on his second leap.

"I'm very happy. I didn't think it was that far," he said with a wide smile. "I got up (out of the pit) and they said 25-3 . . . I was shocked. I was going for 26."

Richardson thought he got it on his last jump but a foot foul wiped it out.

"I just got too excited thinking about 26," he said. "I'm going for it on Saturday. I'll work hard in practice on Thursday and Friday. I want to do my three-step in normal style. I kinda stutter-stepped on the last one."

"People are coming up to me and patting me on the back. I have to get that out of my mind, forget

Meet not for everyone

HONOR ROLL NOTES

By GORDON TROWBRIDGE
Lansing State Journal

There seems to be two schools of thought on how to approach the annual Honor Roll of Champion Track Meet.

■ One says to approach it looking for optimum athletic performance and optimism. ■ The other says to look ahead on the calendar—to the state meets on Saturday—and save yourself for them! According to Section Coach Paul Fowles, whose school you subscribe to depends largely on what your chances are at state.

"If you have a lot of people qualified for the state meet, you have to be careful as to how you use them here," said Fowles, whose Big Red will be trying for a third straight state title at the Class A meet Saturday in Ypsilanti.

"For some teams, it (the Honor Roll meet) is a problem. It just depends on how you're looking at state."

—Fowles, for instance, held Alan Haller, one of the

Age Moore of Powerville was right at home at the Honor Roll meet Wednesday.

For the last four years, she has qualified for the Honor Roll in three events—the 100 dash, 200 dash and the long jump. Wednesday, she took third in the long jump, second in the 100 and ran a strong last 50 meters to win the 200 in 25.5 seconds.

"I love this meet," she said after her 200 win.

"I was really psyched," said Moore, who is undefeated so far this year in the event. "I knew the girls I was running against were going to be fast. But I didn't think about losing, either."

Now, Moore will wind up her preparations for Saturday's state meet.

■ **Holler looks to crown:** Alan Haller, ranked among the top five scorers in the state entrance this year, says he needs to jump in at least one of the four state-level meets.

But the Section coach says all that can change at Saturday's Class A state meet.

"I've been disappointed at times this year," he said. Haller said a state start to the season happened him. Just last week, at the Capital Area Conference meet, he finished in the top five.

"That was a disappointment to the team," said Haller. "We needed those points and I was late to get there by doing well."

■ **Williams top sprinter:** Roger Williams of Everett ran Haller, behind at 17.7 even though 100 dash meet of the day.

"I think it's the weather," said Williams. "I feel kind of light headed. I think I could've run even better."

Williams said he had thought about sitting out the 100 and racing the Saturday's Class A state meet. "Looks like and I think that the 100 is a damn enough race that I could run it and still have my strength for Saturday," he said.

■ **Pozoga says Section not favorite:** Section Coach Paul Fowles said his team, hoping for a third straight

area's outstanding sprinters, out of the 100-meter dash.

"The way Coach Pozoga looks at it, it's a matter of several elite top performers were looking ahead to state. Tom Wicks of East Lansing, winner of the 1,600, arrived from the 2,000 to give himself to state. Fowles' Tryn Erler, who took 16 seconds off his personal best in winning the 2,000, sat out of the 1,600 for the same reason.

State competitors, however, saw Wednesday's meet as a perfect lead-in to state.

"Today was all the more important because I want my performance to carry over to Saturday," said Mason's Steve Neudorval, who won the 100 hurdles, 200 & 400 meters, 800 & 1,600, 3,200, 5,000 & 10,000,
