BLUE JAYS

1989 SEASON SUMMARY

" Ode To Track And Field"

The greatest monument to man
Is this - he's done the best he can.
And if that isn't quite enough,
And if the edges still are rough,
We know the best that life can yield
Is found here on the track and field.

You work and sweat and do your best
To raise yourself above the rest,
And hope that you can then succeed
And finally then, fulfill your need.
You try to get your muscles healed
To do your best in track and field.

But then in spite of all you do
It's not enough to see you through.
Your plans are dashed down on the ground,
You look to see if friends abound,
And if they doubt, your will is steeled
To then excel in track and field.

The will to win is dominant,
The other pleasures you recant.
You work so hard, you flog yourself,
Imagine trophies on the shelf.
You're then the fish desire has reeled
upon the rod of track and field.

If sometimes what you do goes bad,
You recall all the friends you've had.
The best that falls to you and me
Is found in that fraternity
Of love and trust and closeness sealed
There in the sport of track and field.

P R E F A C E

There were few surprises this time. The goals and expectations were set well in advance of our run for the title. It may have looked easy to most. Many saw it as hard fought ... we know how hard.

Of the more than 90 students that registered for track this season, 52 receive awards. This booklet outlines the accomplishments of most of the 52. It does not include early season temperatures or wind chills at workouts. Or reports of special schedules of classes held at Lathrup. Or the fine support we received from those associated with us. We learned many things this season. Some the hard way.

What a thrill to repeat as state champs. Even more, what a thrill for our families and friends. We now know what it takes to be champions ... there's more to it than skill. We now know what it will take to be champions in the future. Maybe not on the track or field, but in other endeavors. We learned about pressure, politics, punctuality, responsibility. These are not games . . . these are real life. We now know how difficult it can be, and how to better deal with it.

We will never forget the people we influenced. Or the indoor meets, the official's calls, and the relays. The compliments, or the nervous anticipation. Who could ever forget our success at the regional, the SMA, and the Oakland county meets? 1986 seems a long time ago, but that's when everything started for our seniors. That's when Cass ran 55's and Bobby high 23's. Jeff ran the 4 x 4 one time...to gold at Milford. Hats off to Elonzo and Lawrence, they define team depth. The 4 x 8 [Gibby, Goggles, Big Tom, and Chuck]...define sacrifice & unity (and had everyone dancing in the aisles at Ypsi). We will never forget the victory laps. Or those that applauded.

We will always be together, if only in spirit. We learned to compete; to participate to the best of our abilities; and to place ourselves above the rest by our professional conduct and approach. We took pride in each other, and set examples for others to follow.

THE SOUTHEASTERN MICHIGAN ASSOCIATION

The Southeastern Michigan Association first sponsored track & field competition for boys in the spring of 1964 with six member schools: Berkley, Ferndale, Hazel Park, Southfield, Royal Oak Kimball, and Birmingham Seaholm. In the spring of 1981, Troy and Bloomfield Hills Andover joined the original six schools forming an 8-team league. Team competition for girls began in the spring of 1975.

The Vern LaBenne Award is presented each year to an athlete who has shown loyalty, dedication, and exemplary leadership in the track and cross-country programs of Southfield High School.

The award is named for 1960 cross-country captain Vernon LaBenne. After his tragic death in 1963, Vern's family donated a trophy in his name to Southfield High School. Each year a deserving athlete or athletes is honored in Vern's name. This year, the award goes to two of our team-mates, Jeff Gibson and James Robinson.

In their senior years, both Jeff and James advanced to the state cross country championship meet. In track, they were named All-State in the 4 x 800m and 4 x 400m Relays. Even more than their athletic accomplishments, the leadership displayed in workouts and competition was an inspiration to both team-mates and coaches alike. We are all proud to have been associated with these two fine athletes.

MONDAY JUNE 5 1989 SECTION B

SPORTS

THE OAKLAND PRESS

■ Southfield's Oakland County domination in the relays is complete. The Bluejays won the state 400- and 800-meter relay titles, took second in the 3200-meter relay and third in the 1600-meter relay. Anchorman Cassidy Wright nearly fell on the 1600-meter relay, but did a balancing act on the final turn after being bumped by another runner enabling the Bluejays to score.

boys best times

(Southfield coach Tom Eschmann will compile this spring's boys track listing. Coaches from the Birmingham-Bloomfield, Rochester, Southfield, Troy and West Bloomfield areas are encouraged to call Eschmann and update their top performances.
