

SOUTHFIELD HIGH SCHOOL CROSS COUNTRY

1989 SEASON SUMMARY

P R E F A C E

"A few weeks of hard work ... a lifetime of memories." I can't remember where I picked up this line, but for 30 Southfield High School students (24 boys and 6 girls) it will ring true long after the pages of this booklet fade.

We found that participation in athletics was a study in practicing skills that go far beyond running fast and being able to endure discomforts. We practiced lessons of how to communicate, how to be responsible, what it means to make and honor a commitment, and what it feels like to sacrifice.

Our performance goals were wide and varied. Whether it was to run a particular time, finish in a particular place, to experience the chase, or just to finish, it was my hope that we all could have something we could be proud of.

Congratulations to our girls team. They started out late, and slowly, but finished respectably. Our top runner, Janeen Jones, earned 'all league' honors. We haven't been able to put together a girls team for quite some time, and feel good about our modest start.

For the first time in years we had a large boys team. Success in cross country begins with establishing large numbers. We have a long way to go, but the first step has finally been taken. Of the 24 team members that receive awards, 18 were out for the first time. Of these 18, 4 competed at the varsity level. Our JV dual meet record (8-1) is a very fine accomplishment by our first year athletes.

We are now experienced in what is referred to as a "lifelong activity." You don't need any special equipment or a great deal of youth or time to enjoy the physical and spiritual benefits of a run ... only a knowledge of what it promises. You have that now.

The Vern LaBenne Award is presented each year to an athlete who has shown loyalty, dedication, and exemplary leadership in the track and cross-country programs of Southfield High School.

The award is named for 1960 cross-country captain Vernon LaBenne. After his tragic death in 1963, Vern's family donated a trophy in his name to Southfield High School. Each year, at our track & field awards banquet, a deserving athlete is honored in Vern's name.

A C K N O W L E D G E M E N T S

Once again, I feel fortunate to have had the opportunity to work with the type of young people that are attracted to cross-country.

I am grateful to my wife, Pam, for her continued support and for assuming most of the home duties during both the cross-country and track seasons.

To the staff of Southfield High School, my thanks for the many words of encouragement and/or attending our meets. The attention goes a long way toward motivating our team in a sport where large crowds of spectators are not common.

In particular to Mr. Bob Harding, who supported us at practices & meets when his schedule permitted, and to Athletic Director Mr. Art Carinci, who took a sincere interest in the well-being of our athletes.

To Mr. Dave Blievernicht, whose support over the years has meant very much to me. His help at meets when coaching responsibilities required 3 hands instead of 2 has not gone unnoticed.

A final note to the parents of our athletes. The many re-arrangements of schedules to accomodate cross-country as well as your presence at our meets was deeply appreciated.
