Southfield Bluejays  
1988 MHSAA State Champions  
Class A Boys Track & Field

April 2, 1989

Dear Friends of Southfield HS:

Here we go again. For the next two months you will be receiving a copy of "Southfield Track Newsletter." For many of you, this marks our 11th consecutive year. If this is a first for you, it may take a little time getting used to our abbreviations and a little practice "reading between the lines."

Hopefully a season schedule is included with this first set of results. You are invited to 'catch a few events' or take in an entire meet. You will be treated with VIP status. Some of you may receive a call from us to assist with the administration of a few home meets, especially the State Regional on May 19 and the SMA Championships on May 23.

At the time of this writing, our team has concluded two major indoor competitions with very impressive performances. With the exception of a few costly disqualifications, we could have won both meets. Our 4 x 200m and 4 x 400m relays (check those abbreviations) have been untouchable indoors and, we might add, downright electrifying! We also have a group of the best hurdlers in the State if not the Midwest.

This letter is about as personal as we will have time to get this season. Time also limits us to reporting just the names and the numbers. So, do your best and we'll do ours. If for any reason you want the mailing discontinued, let us know and we'll stop. By the way, you are on our list for many reasons. You must be a friend, an official, a SHS grad, a parent, a teacher, or perceived to have an interest in our sport or our kids. Here's to nothing but good news!

Sincerely yours,

Tom Eschmann, Track Coach

"Southfield, Grosso shine at state meet"

YPSILANTI - Southfield won its second straight state crown and WL Western's Brian Grosso set a state record in the 3200m run Saturday at the Class A state track meet at EMU. The Bluejays scored 65 1/2 points, Monroe was second with 44 and AA Pioneer had 35 1/2. Rain storms interrupted the meet for over an hour and many of the races were run through intermittent rain, but the rain failed to dampen the Bluejays' fortunes. Southfield had only two first places but scored in 10 of the 11 events in which they qualified.
