

TRACK RESULTS

VOL. II No. 3

for performances through April 24, 89

This is the first of the weekly listings. There will be a weekly listing each week until the week of the regionals. TRACK RESULTS will send for all of the regional results and publish the results we receive the Tuesday before the state finals.

TRACK RESULTS will depend on your help to receive information for the listings. You can call or mail the information to:

TRACK RESULTS 1321 Country Club Dr. Niles, Mi. 49120 (616) 684-4052

That is our home address and phone. If you call the information in, someone is usually home during the school day and you can call from school. To call in the evening please try to call between: 7:30 and 11:00 PM. You can also call on the weekend.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- Grade (Male or Female) SCHOOL'S Class and Name of School
Performance - if running and in yards mention that & make sure and tell us if time given is converted.

We would like the grade because that will help us with the first issue for next year, when the returning scorers are indicated in the state results. Also, it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must be seniors. Also, there are several colleges that receive TRACK RESULTS and they like to know the grades of the people listed so they know who to contact.

If you know any additional performances other than your team, please give them to us when you give your information. Especially if you know the grades of people we have listed.

We are sending for results of meets, but will not publish a lot of results. Time and space will be a problem. We need the meet results though to compile the listings.

We are contacting people to send us weekly listings from area papers. The following is the list of papers that carry weekly listings that we know of. St. Joseph Herald-Paladium, Lansing State Journal, Grand Rapids Press, Flint Journal, Bay City and Muskegon Papers, Huron Daily Tribune, Port Huron Times, Kalamazoo Gazette. I am sure that there are other papers that have weekly listings. Also, Oakland Press, Birmingham papers. If you would let us know the names of the papers and send us the listing we will be able to keep our listings complete.

The first listing is composed basically of indoor performances. There was not enough information to compile a real listing of the 100- 200- Hurdles- 400 and 400 Relays. We hope to have enough information to list these events next week. TRACK RESULTS will also compile a list of the other common relay events - 800 Medley, Medley (4-2-2-4), Sprint Medley(4-2-2-8), Distance Medley, 6400 Relay and if possible Shuttle Hurdle Relay.

The keys on our listings:

*after the name means scorer in that event at state 1988.

S- J- So- F after the name is the athlete's grade.

i after the performance - indoor

y after the performance - performance in yards converted

(note: other than the state competed events, we will not convert the times. Those we converted are done so by using the rule book for conversions)

We would appreciate your comments. There may be some changes in the format as we are still trying to put things together.

We have so little information on many of the outdoor events(Discus, 100, 200, 400, Hurdles) that we did not try to make a listing of those events this week. We will again try to make a listing of the traditional relay events from the relay meets.....

TRACK RESULTS

VOL. I No. 4

for information through 4/28/89

This is the second week of the listings. Outdoor events- 100- 200- 400- 110/100- 300 Hurdles- Discus and 400 Relays are kind of thin in the listings. We are sending for meet results, weekly listings in area papers. If you run a meet or see that we do not have information from please send the information.

TRACK RESULTS will depend on your help to receive information for the listings. You can call or mail the information to:

or mail the information to:

TRACK RESULTS 1321 Country Club Dr. Niles, MI. 49120 (616) 684-4052

That is our home address and phone. If you call the information in, someone is usually home during the school day and you can try to call from school. To call in the evening please try to call between: 7:00 PM and 11:00 PM. You can also call on the weekend.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- grade(male or female) SCHOOL/class of school

performance- if running and in yards mention that & make sure and tell us if the time was converted.

We would like the grade because that will help us for the first issue next year when the returning scorers are indicated in the state results. Also it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must be a senior. Also there are several colleges that receive TRACK RESULTS and they like to know the grades of the athletes.

Keys in the listing are:

- * after the names means scored in that event at state '87
- S- J- So- F- grade of athlete
- i indoor performance
- y- performance in yards- time converted. (note- only state competed events are converted. Other events like the Distance Medley are left in yards and the time is fitted in.) Conversions are those listed in the rul book.

This issue is a little late. We would like to mail each issue on Wednesday. To do this we need information by Tuesday to get it entered. Information received after Tuesday will not be placed in the listings until the following week.

If you have a senior, or an athlete that will not have eligibility after this season and you feel that he/she is one of the top athletes in their event and would like them to be considered for the MICHIGAN TEAM in the Quad States meet you can contact the committee member for that event. Athletes listed in TRACK RESULTS- with their senior grade are known by the committee. BOYS: Duane Raffin/Chairman; Martin Crane- Beecher/jumps; John Swinburne- Muskegon Oakridge/throws; Don Marsh- Kearsley/pole vault; Lorenzo Croft- Ecorse/dash; Rich Tompkins- Fremont/400; Chuck Janke- Jackson/distance; Norb Badar- Flint/800; Dave Gordon- Ecorse/hurdles..... GIRLS: Bernie Abrams- Covert/Chairman; Bryan Westfield- Pioneer; Bob Glenn- Det. Cass Tech; Betty Robinson- Lathrup; Tyrone Armstrong- Beecher; Rose Wilkins- Bendle.....

Please spread the word on TRACK RESULTS. Our subscriptions have not been what we would like. We also need to have the word spread for the listings so coaches will call in their performances. We are getting a few area listings, but there are many areas that do not have a paper that puts out an area listing. If you know of any performances that should be listed from your area please send/call them in. Calling will give us the most up to date listing.

We are trying to keep a listing of the traditional relay races. We hope this will create more interest in track & field.

110 M HIGH H Class A/Boys *****

Benzie Central Invitational
Flushing Girls Invitational CD
Hartford Frosh/Soph Invitational
Ithica Relays
Manchester Invitational
Northwest Relays (Jackson)
Oscoda Invitational
White Pigeon Rotary Co-ed Relays
Williamston Invitational

TRACK RESULTS

VOL. I No. 5

for information through 5/8/89

This is the third week of the listings. Some of the outdoor events and Class D are still not complete as there has only been a couple of weeks outdoors. Some papers have not started their area listings and we have not received information on all schools in those areas.

This week there were several big meets, Central, Saginaw Valley and several others. We got some information from those meets, but not the complete information. If you have a copy of the results would you send them, we do not have them as yet.

Send information to:

TRACK RESULTS 1321 Country Club Dr. Niles, MI. 49120 (616) 684-4052

The above is our home address and phone. If you call the information in, someone is usually home during the school day and you can try to call from school. To call in the evening please try to call between: 7:00 PM and 11:00 PM. You can also call on the weekend.

The information we would like to have on all of the performances is:

ATHLETE's NAME- grade(male or female) SCHOOL/ class of school

performance- if running in yards mention that & make sure and tell us if the time was converted.

We would like the grade because that will help us for the first issue next year when the returning scorers are indicated in the state results. Also it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must have used all of their eligibility to be able to participate in that meet. Also several colleges receive TRACK RESULTS and they like to know the grades of the athletes.

The keys in the listin are:

* after the names means scored in that event in state '88
S- J- So- F- grade in school
i indoor performance
y performance in yards- time converted. (note- only in state competed events are times converted. Other events like the Distance Medlèy are left in yards and time is fitted in)
Conversions are by the rule book.

Thanks again to all of you that have been sending in meet results/area listings. Most of the information that is mailed over the weekend does not arrive until Tuesday. Then once we have it all done, Wednesday we get anoter large group of mailings. As a result we are not mailing TRACK RESULTS until Thursday, hoping this will give you the most up to date listing.

TRACK RESULTS

VOL. II No. 6

for information through May 16, 1989

This is the fourth week of the listings, it will probably be the last listing for the year. We have sent for all of the regional results and that is what is planned for the next issue. The regional issue will contain the qualifying individuals/relay teams from all of the regionals we receive results for. PLEASE!!!! if you are hosting a regional meet make sure that we receive either a copy of your results --- or --- a copy of the report that you send to the finals meet manager. When you go to a regional ask the regional manager to send us the information. The regional issue will be mailed on the Tuesday before the state meet. Hopefully this will give us time to get all of the regional meet results and get the information typed. For this reason we do not know if we will include a listing with the regional issue.

If you are not sure that your regional manager will send a copy of the results, PLEASE SEND US A COPY. We may wind up with duplicates, but this way we might have a better chance of getting all of the results.

We will update the listing, and if time and space permit we will have another listing. When calling in the evening, call between: 7:00 & 11:00 PM. Someone is usually home during the day, so you can call from school. Calls can also be made on the weekend.

TRACK RESULTS

1321 Country Club Dr.

Niles, Mi. 49120 (616) 684-4052

The information needed is:

ATHLETE's NAMES- grade(male/female)

SCHOOL/class of school

performance- if running in yards mention that & make sure we know if it is converted or not.

We would like the grade because that will help us for the first issue next year when the returning scorers are indicated in the state results. Also it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must have used all of their eligibility to be able to participate in that meet. Several colleges receive TRACK RESULTS and they like to know the grade of those listed.

The keys in the listing are:

- * after the name means scored in the event in '88
- S- J- So- F grade in school
- i indoor performance
- y performance in yards- time converted.

TRACK RESULTS

VOL. I No. 7

1989

regional issue

Thanks to all of the meet managers/coaches that sent us the regional results. We have information on all of the regionals, incomplete though on a couple of regionals. Most of the regional results we did receive, a few we had to get information from papers. We would up calling to get results for three or four regionals.

Regions #1 (Grand Rapids) and #34 (Potterville) were run in yards. There may be one or two more, we did not catch it until tonight and did not have time to correct the times. Check the 100 Dash to see which, meters-yards.

The nice thing about the computer is it makes it easy to correct, change and do things. BUT it can also dom much more damage..... Mary wiped out most of the Class A boys results Saturday morning. the joys of a computer, I have done things like that several times.....

I put together the first issue of CROSS COUNTRY INVITATIONAL RESULTS over Labor Day Weekend, now use Memorial Day weekend for TRACK RESULTS.

This will be the first time in several years that we did not get an individual qualified for the State Finals. Our best runner was injured most of the season and didn't make it. There is a wedding Friday night, so I may drive over to the closest state finals. Best of luck to all of you at the State Finals.

Friday night went to watch my sons run in the Central Collegiates at Illinois. Guy ended his college career placing in the 5000m. This was the first time since 1981 that one of my kids has not run for me.

The white sheets contain the CLASS A regional results

The green sheets contain the CLASS B regional results

The buff sheets contain the CLASS C regional results #39 girls is on the back page.....

The salomon sheets contain the CLASS D results_---- they begin on the back of the last buff sheet.

Thanks again for all of your help and support- best of luck at the finals.....

There will be one more issue, the state finals issue. It will also contain the MIDWEST MEET OF CHAMPIONS RESULTS.....
