## SPOTLIGHT ON NELLOMS

By Bill Rogers

Get ready for "The Chris Nelloms Show"! A prep all-American at 400 meters (45.80), the Dayton Dunbar junior will be gunning for his third consecutive gold medal in the 200-meter dash. Only five individuals have won the same event three straight years at the Mansfield Mehock Relays.

Nelloms will be favored to win the 200-and 400-meter dashes and could add gold medals in two relay events. Dunbar, the Ohio class AAA titlist, will be trying to sidetrack Toronto Central Tech, Mansfield Mehock Relays team champion for the past five years.

Another all-American, Glenn Terry of Cincinnati Sycamore, will be defending his 110-meter high hurdles title. Terry led the nation last year with his 36.38 clocking in the 300-meter intermediate hurdles, while his 13.71 time over the high barriers was third best.

The oldest Relays record could take a pounding. Defending long jump champion Dion Bentley of Pittsburgh (PA) Penn Hills has bettered Todd Bell's 1976 mark (25-5) on two occasions, posting an outdoors best of 25-7 in 1988. Several other 25-plus jumpers have been invited, including Ron Dickerson of State College, PA whose 25-4½ leap lost by one inch to Bentley in the state meet last spring.

The pole vault is shaping up as a highly competitive event for the Friday afternoon session. Four state champions, including Toby Van Pelt of Owosso, MI, who also won here in 1988, are expected to compete.

Plan to be at Mehock Field April 14-15 for the 57th Mansfield Mehock Relays. This is a meet you won't want to miss.

## RELAYS STANDARDS

For years, the Mansfield-Mehock Relays have been an early season "proving ground" for the scholastic track stars of Ohio, Michigan, Pennsylvania, Kentucky, West Virginia, Indiana and Canada.

The ever-increasing entry list prompted consideration of establishing minimum standards to insure peak performances from those athletes qualifying under these standards.

Individuals entered by the coaches must have achieved the standards in their event sometime during his high school tenure to be eligible for participation.

The Relays committee is privileged to extend to your school a cordial invitation to compete in the 57th renewal of the Mansfield-Mehock Relays which will be staged April 14-15, 1989. This independent interscholastic classic will be staged at Malabar High School's Mehock Field Track.

This booklet contains general information concerning the 1989 Mansfield Relays, results of the 1988 meet, all records, time schedule, awards, special regulations and other data. Entry blanks accompany the booklet.

The relays committee believes the success of this meet is directly traceable to the fine schools, athletes and coaches who have appeared here each year.

The 1988 renewal drew 172 high schools from five states: Ohio, Michigan, Pennsylvania, Indiana, Kentucky and Canada. Eighty-two of the schools were from outside of Ohio. The field numbered 1412 athletes.

## PUBLICITY

Cooperation of competing schools is of vital importance in the successful development of publicity for the Relays. Please send pictures (you can probably get them from your newspaper) and stories concerning your top athletes. We need individual records of your stars for release to wire services and other newspapers. Urge the publicity department of your school to send all available information to Doug Castle, Relays director.
