PREP TRACK

Sexton, Jackson champs

By BILL BRODERICK Lansing State Journal

Look, up in the air, it's a bird, it's a plane. No it's Super Sexton! The Sexton boys' track team continued to dominate the Capital Area Conference by gaining the conference crown at the CAC Track and Field Championships, Thursday evening at Sexton. The girls' CAC championship went to Jackson.

In the boys' meet, Sexton took first with 129 points, Jackson second at 102 and Eastern third with 69. The girls had Jackson first with 142, Eastern second with 111 and High third with 69 points.

The meet was held under dreary skies, but there was another dark cloud that had a bigger effect than the weather could have ever had. The East Lansing boys' track team, Sexton's main challenger for the title, was without 11 athletes who were suspended for trespassing at the East Lansing Holiday Inn Wednesday afternoon. Those suspended included several distance runners, the strength of the East Lansing team.

East Lansing was second in the regular season with a record of 4-1 but took sixth Thursday with 49 points, 80 points behind Sexton. Sexton was undefeated in the regular season.

Coch Jeff Smith said the boys were suspended because of a violation of school rules. "They were suspended because they were in the Holiday Inn pool," Smith said. "They were running their usual run and they jumped into the pool for a swim."

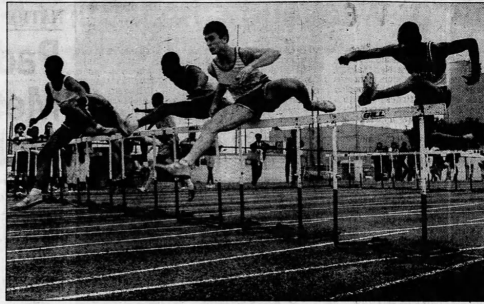

There is speculation that there also was some damage done at the hotel. But East Lansing Athletic Director Steve Hebold said he wasn't aware of any damage, and a hotel representative was unavailable for remarks.

"They took a swim in one of the hotels in town," Hebold said. "I think there was an accident, but that's not why we disciplined the kids. They were only disciplined for swimming in that pool."

Four of the runners Tom Weiss, David Au, Peter Finley, and Dave Higgins, Hebold confirmed. Their absence was significant in several events.

"All the kids were running well all season and weren't into the paper," Smith said. "And now were going to get ink for this. It's too bad."

Hebold was disappointed in how

Competition was close during the 100-meter hurdles in Capital Area Conference meet at Sexton High

Agee won the 300 hurdles and the 100 dash, while Jones won the high jump, long jump and the 200 dash.

"We wanted to do what was right for the kids and the school in the long run, not just what's going to help us in this meet," Hebold said. "We want to have a good relationship with the people in the community. These aren't malicious kids. I knew we would do well. These kids believe in themselves," said Pozoga. "They don't have the greatest talent, but they do have a lot of heart."

Sexton began with important points in the early field events. Allen Jackson racked up 14 points with a first in the shot put with a throw of 56 feet, 2 inches, and a fourth in the discus. Jackson was fifth in the state last year in the shot put.

"I won a medal right now, a medal for my wall," Jackson said after his first in the shot put. "We're undefeated in dual meets this season. I hope my points can help us win this meet, too."

Another important part of the Big Red's machine was sprinter Henderson Leonard.

"We won the regional, so we really wanted to win the CAC meet bad," Leonard said. "I'm not doing as well as I hoped, but I'm trying my hardest."

As a team think we have come on strong over the whole season. Early in the season no one thought we'd be any good. We've come back real strong."

The runner who beat Leonard in the 100-meter dash was Marcus Jamison of East Lansing, who finished in 10.7 seconds.

Jackson edged Eastern for the girls' championship. To stay close, Eastern needed outstanding efforts from Katrina Jones and Kstina Agee.

Agee won the 300 hurdles and the 100 dash, while Jones won the high jump, long jump and the 200 dash.
