1990 SALINE HORNET CROSS COUNTRY INVITATIONAL

Dear Coach:

Thank you for your team(s) participation in our first annual cross country invitational. The races were all very competitive and exciting to watch. We hope this was a rewarding experience for your team members and that your junior varsity and junior high people were significantly recognized.

We have plans for next spring to host a junior high track invitational on a Friday night in April. If you would consider attending this meet, let us know if any Fridays in April would fit into your schedule. We will make our final plans sometime in December and have information out by the first of next year.

We hope to see you at our Hornet Invitational again on Saturday, October 19, 1991. Information should be in the mail sometime in June.

Once again, thank you for participating and we enjoyed having you.

Sincerely,

Daniel Deyo
