

TRACK RESULTS

VOL. III No 1 1321 Country Club Dr. Niles, Mi. 49120 (616) 684-4052

begins the thrid year for TRACK RESULTS. The first issue contains the results of last year's state finals. The results indicate the grades of the returning runners, in a darler print, with this year's grade listed; ie: s- senior, jp junior; so- sophmore after the name. The Class B and C are complete this way. I did not realize that the Class A & D did not have the complete information- ie: grades of scorers until it was too late. Also the Class B and C containt after the scorers those other qualifying runners that return this year withth their grade.

We are a couple of weeks late getting this issue out. We had planned on getting it out by mid-March. The indoor issue, issue 2, will come out in the next week or so. Then the issues will be weekly starting after the invitationals/relays of April 21. There are to few performances to try and put together a listing before then.

This issue also contains the schedule of invitationals/relays that are known. The back of this page, and then the last page (both sides) contain the listing of invitationals. If you know of any additional invitationals, or corrections please send the information in. This list is displayed at the MITCA Track Clinic in January and coaches appreciate the information. Also if you are creating a new invitational and would like to publicize the date, send us the information and we will try to include the information.

TRACK RESULTS is more of a listings. We try to go 10 deep in each of the events that are in the state finals. In addition we will try to keep a listing of the relay events found in the relay meets. We will send for meet results to keep the relay listings up to date, but we need you to send/call the information in.

The first issue of TRACK RESULTS his being sent to all of last year's subscribers and CCIR's sscribers. If you have not renewed, please do so now. If you are not the track coach please pass this copy on to the coach. If you have renewed please pass the subscription form at the bottom to a coaching friend. We are pleased with the support we had last year, but we need to increase our number of subscriptions. CCIR grew because of your support and we hope that we can do the same with TRACK RESULTS.

If you have any information for TRACK RESULTS, Mary is home most of the day, so you can call from school, late evening is another good time to call. When you call information for the listings this is what we need:

EVENT(yards/metric) Name of Athlete/grade- School(also class of school)

We had a lot better listing last year because of your help in phoning in listings and sending in area listings. Please do that again and spread the word of TRACK RESULTS. Best of luck this season.....

girls: Bernie Abrams/Covert, Bryan Westfield/Pioneer, Bob Glenn/Cass
Tech, Betty Robinson/Lathrup, Tyrone Armstrong/Beecher, Rose
Wilkins/Bendle

TRACK RESULTS

VOL III: No. 2

indoor results

This is the indoor results issue. It seems that most of the indoor season the weather was too good to waste with indoor meets, and now that we are outdoors it is a good time for indoor meets. This issue is a little late. The indoor season seemed to run a little later this year and I did not get the meet results as soon as I did last year. Also some of the meets I called for results did not arrive on time.

We will try to get the first weekly listings out the end of this week. With the weather as it has been there will probably not be a lot of quality performances. Our area paper laughed when I asked when the first listing was coming out.

Please again send in area listings from your local papers when they start. Better yet call or write with your performances. We generally try to run the issue off on Tuesday/Wednesday so that it arrives by the weekend. If your results are before the weekend a letter will arrive on time, if it is a weekend performance- please call, as the mail will probably be too late for that week's listing.

TRACK RESULTS will depend on your help to receive information for the listings. You can call or mail information to:

TRACK RESULTS 1321 Country Club Dr. Niles, Mi. 49120 (616) 684-4052

This is our home address and phone. If you call the information in, someone is usually home during the school day and you can call from school. When calling in the evening please try to call between 7:30 and 11:00 PM. You can also call on the weekend.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- grade in school(male or female) SCHOOL'S CLASS & Name of School

Performance- if running in yards mention that & make sure and tell us if the time given was converted.

The grade is helpful because several colleges get TRACK RESULTS and they are interested in that information. The MITCA Meet Of Champions- Quad State Team is comprised of seniors and the committee that selects the team needs to know who the seniors are.

If you know of any additional performances other than on your team, please give them to us with your information. Especially if you know the grades of any athletes listed.

Probably one of the oldest records at a major meet was broken this season. Rob Johnson's (Vassar) shot put at Spartan Relays- Class B/boys record of 58' 8, set in 1958 is no longer. It will be difficult to change the name as another Johnson, Tom, from Marysville went 59' 7.25. Those that think the name Rob Johnson is familiar, Rob is the current coach at Clare. He was the shot put speaker at the MITCA Clinic this winter. Wonder if his talk had anything to do with the record.

TRACK RESULTS has not taken off like we had hoped it would. Please spread the word and we would appreciate any of your comments.

MITCA STATE INDOOR CHAMPIONSHIPS- 1990/boys

1

High Jump 1. Ludka- Snowshoe (Traverse City) 6' 7"; 2. Smith- Valley (Sturgis) 6' 5"; 3. Cunningham- Jack Pine (Beaverton) 6' 5"; 4. Steiner- Horshoe (Port. Central) 6' 3"; 5.
