TRACK RESULTS

VOL. III No. 3

for performances through April 28, 1990

This is the first of the weekly listings. There will be a weekly listing each week until the week of the regionals. TRACK RESULTS will send for all of the regional results and publish the results we receive the Tuesday before the state finals.

TRACK RESULTS will depend on your help to receive information for the listings. You can call or mail the information to:

TRACK RESULTS 1321 Country Club Dr. Niles, Mi. 49120 (616) 684-4052

That is our home address and phone. If you call the information in, someone is usually home during the school day and you can call from school. To call in the evening please try to call between: 7:30 and 11:00 PM. You can also call on the weekend.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- Grade (Male or Female) SCHOOL'S Class and Name of School

Performance - if running and in yards mention that & make sure and tell us if time given is converted.

We would like the grade because that will help us with the first issue for next year, when the returning scorers are indicated in the state results. Also, it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must be seniors. Also, there are several colleges that receive TRACK RESULTS and they like to know the grades of the people listed so they know who to contact.

If you know any additional performances other than your team, please give them to us when you give your information. Especially if you know the grades of people we have listed.

We are sending for results of meets, but will not publish a lot of results. Time and space will be a problem. We need the meet results though to compile the listings.

We are contacting people to send us weekly listings from area papers. The following is the list of papers that carry weekly listings that we know of. St. Joseph Herald-Paladium, Lansing State Journal, Grand Rapids Press, Flint Journal, Bay City and Muskegon Papers, Huron Daily Tribune, Port Huron Times, Kalamazoo Gazette. I am sure that there are other papers that have weekly listings. Also, Oakland Press, Birmingham papers. If you would let us know the names of the papers and send us the listing we will be able to keep our listings complete.

The first listing is composed basically of indoor performances. There was not enough information to compile a real listing of the 100- 200- Hurdles- 400 and 400 Relays. We hope to have enough information to list these events next week. TRACK RESULTS will also compile a list of the other common relay events - 800 Medley, Medley (4-2-2-4), Sprint Medley(4-2-2-8), Distance Medley, 6400 Relay and if possible Shuttle Hurdle Relay.

The keys on our listings:

*after the name means scorer in that event at state 1988.
S- J- So- F after the name is the athlete's grade.
i after the performance - indoor
y after the performance - performance in yards converted
(note: other than the state competed events, we will not convert the times. Those we converted are done so by using the rule book for conversions)

We would appreciate your comments. There may be some changes in the format as we are still trying to put things together.

We have so little information on many of the outdoor events(Discus, 100, 200, 400, Hurdles) that we did not try to make a listing of those events this week. We will again try to make a listing of the traditional relay events from the relay meets.....

TRACK RESULTS

VOL. III No. 4

for performances ending

May 2, 1990

TRACK RESULTS will contain weekly listings until the week of the regionals. Regional results will be published the Tuesday before the state finals.

TRACK RESULTS depends on your help to receive information for the listings. You can call or mail the information to:

TRACK RESULTS 1321 Country Club Dr. Niles, Mi. 49120 (616) 684-4052

That is our home address and phone. If you call the information in, someone is usually home during the school day and you can call from school. To call in the evening please try to call between 7:30 and 11:00 PM. You can also call on the weekend. If you mail information Sat/Sun. we should have it Mon/Tues and it will be in the next listing. If mail is not sent from your area until Monday, then it will not arrive on time for the next listing, it will be in the following listing. To make sure your performance gets in the current listing call it in.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- Grade- Male or Female SCHOOL'S CLASS and Name of School
Performance- if running and in yards mention that & make sure & tell us if time given
has been converted.

We would like the grade because that will help us with the first issue for next year, when the returning scorers are indicated in the state results. Also, it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must be seniors. Also there are several colleges that receive TRACK RESULTS and they need to know the grades of the people listed.

If you know of any additional performances other than your team, please give them to us when you send your information. Especially if you know the grades of the people we have listed.

We are sending for results of meets, but will not publish a lot of results. Time and space will be a problem. We need the results though to compile the listings.

We are contacting people to send us weekly listings from area papers. The following is the list of papers that carry weekly listings that we know of. St. Joseph Herald-Palladium, Lansing State Journal, Grand Rapids Press, Bay City and Muskegon Papers, Port Huron Times and Kalamazoo Gazette, Oakland Press and Birmingham papers. If you know of others please let us know and send us a copy of the listing. Some of the papers we are not getting listings from, would you send a copy if you do not see your area performances listed.

The keys on the listing:

*after the name means scorer in the event at state 1989
s- j- so- f- after name is the athlete's grade.
i after performance was indoor
c- converted time from yards.

This listing is coming out a day or so early. Since there were so few outdoor times last week this is the first real outdoor listing. We wanted to get it out early so you could see the performances that we have and send in any performances that could be listed.

VOL. III

No. 6

regional issue

We thought it was going to be easy this year for the regional issue. Thought we would be able to get all of the regional results in Lansing the Sunday after regionals. All of the regional managers take their results to the state final managers at the MHSAA Office. We had someone that was going up there and was willing to bring the results back. Problem- there wasn't time to get copies so we were out of luck. By this time it would have been too late to send for all of the regional results and get them back in time. Thought we were really in a bind.

I called all of the final meet managers and asked if they would send a copy of their entry sheets. All were willing to do it and they arrived by the week-end. Great co-operation.....

The benefit is that all of the entries in each event are ranked by regional performance and together. You do not have to hunt through all of the regional results to find all of the individuals in a particular event.

This was a real wild week. Wendy graduated from Notre Dame the weekend of regionals. We helped with the regional, using our computer program to heat/score the regional. There was a graduation dinner Friday, night of the regionals. So after preliminaries Mary left and went to the dinner. Left me at the regional with the team and computer. Saturday was not too bad, but then all day Sunday was graduation activities. We are doing the Class C state finals and Sunday evening the Class C entry cards were brought by to be typed. Brandywine was also hosting the conference meet the Wednesday after regionals and we had a meeting Monday evening to pass out the entries. Mary also had a school board meeting. Somehow the conference entries were done by Monday evening, I was the meet director and Mary did the heat/scoring with the computer. Wendy did one of the computers and son Jim was in charge of the finish line, while Tim got the splits and anything else for our team. Wednesday the final entries were done and sent to the meet director. The meet went well, things settled down. Friday we had to run the twice postponed Laker Co-Ed Relays and this weekend I ran off this issue of TRACK RESULTS.

The state finals are as follows:

| | |
|----------|--------------|
| CLASS A- | pink paper |
| CLASS B- | tan paper |
| CLASS C- | cherry paper |
| CLASS D- | white paper |

Thanks for all of your help and support, best of luck in the finals.....

THE FINALS issue will contain- state fjnals and we will try to get hold of the MIDWEST MEET OF CHAMPIONS.....

scoring: Individual events: 10- 8- 6- 4- 2- 1 Relays- 10- 6- 2

Well this ends track for '90. It has been a busy year. Many thanks to all of you that called/sent in information and listings TRACK RESULTS could not have been done without you. Mary, Tim and then Jim when he returned from school are the real reasons that TRACK RESULTS was able to get put together at this end. Had a good group of kids to work with this spring, didn't win but made progress and were a good group to work with. We have not had a senior class since '81 got through track 7 to 12 without some cuts or threats of cuts. Participation has been down in most sports, but the junior high seems to be reversing the trend. Can see better things coming, just hope I will be there to..... Been tough always fighting for the program and survival.

You may or may not have heard Duan Raffin, Holly, had a heart attack after the state meet. Talked to Duane last week and things are back going again. Duane retired(????) from the classroom, I will continue to coach cross at Holly and may do some track this spring, and will teach one class at OCC. Duane had just returned from his cross country camp so best of luck.....

The results were a little delayed while I was trying to get hold of a copy of the Meet of Champions

Best of luck this fall if you are coaching, and best of luck next spring.....

If you have any comments or suggestions please send them.....
