

# TRACK RESULTS

VOL. III No. 4

for performances ending

May 2, 1990

TRACK RESULTS will contain weekly listings until the week of the regionals. Regional results will be published the Tuesday before the state finals.

TRACK RESULTS depends on your help to receive information for the listings. You can call or mail the information to:

TRACK RESULTS      1321 Country Club Dr.      Niles, Mi. 49120      (616) 684-4052

That is our home address and phone. If you call the information in, someone is usually home during the school day and you can call from school. To call in the evening please try to call between 7:30 and 11:00 PM. You can also call on the weekend. If you mail information Sat/Sun. we should have it Mon/Tues and it will be in the next listing. If mail is not sent from your area until Monday, then it will not arrive on time for the next listing, it will be in the following listing. To make sure your performance gets in the current listing call it in.

The information we would like to have on all of the performances is:

ATHLETE'S NAME- Grade- Male or Female      SCHOOL'S CLASS and Name of School  
Performance- if running and in yards mention that & make sure & tell us if time given has been converted.

We would like the grade because that will help us with the first issue for next year, when the returning scorers are indicated in the state results. Also, it will help the MITCA MEET OF CHAMPIONS- Quad State Meet know who to contact for participation in that meet at the end of the season. Participants must be seniors. Also there are several colleges that receive TRACK RESULTS and they need to know the grades of the people listed.

If you know of any additional performances other than your team, please give them to us when you send your information. Especially if you know the grades of the people we have listed.

We are sending for results of meets, but will not publish a lot of results. Time and space will be a problem. We need the results though to compile the listings.

We are contacting people to send us weekly listings from area papers. The following is the list of papers that carry weekly listings that we know of. St. Joseph Herald-Palladium, Lansing State Journal, Grand Rapids Press, Bay City and Muskegon Papers, Port Huron Times and Kalamazoo Gazette, Oakland Press and Birmingham papers. If you know of others please let us know and send us a copy of the listing. Some of the papers we are not getting listings from, would you send a copy if you do not see your area performances listed.

The keys on the listing:      \*after the name means scorer in the event at state 1989  
s- j- so- f- after name is the athlete's grade.  
i after performance was indoor  
c- converted time from yards.

This listing is coming out a day or so early. Since there were so few outdoor times last week this is the first real outdoor listing. We wanted to get it out early so you could see the performances that we have and send in any performances that could be listed.
