### WELCOME TO MIDLAND STADIUM

On behalf of the Midland Public Schools, I would like to welcome you to Midland for the 1990 Class A Track and Field Final Meet. It is our hope that you will enjoy the track meet and your visit to Midland.

Midland Stadium was recently renovated through the efforts of a community fund drive which raised nearly \$700,000 to 1) replace the cinder track with a nine lane all weather track, 2) construct a multi-purpose locker room, 3) install permanent seating on the visitor side of the complex, and 4) renovate the track at H.H. Dow High School. Over 1,000 Midland individuals and businesses contributed to this "Phase II" campaign. In addition, generous support was received from the Dow Chemical Company, Dow Corning Corporation, The Herbert H. Dow Foundation, The Rollin Gerstacker Foundation, The Strosacker Foundation, and the Midland Foundation. We are able to host the 1990 Class A State Track and Field Meet because of the generosity of the above contributors.

I would also like to thank the many volunteers who have worked diligently to help make this meet a success. These individuals are listed on the following pages, and everyone involved appreciates their efforts.

We hope both athletes and spectators enjoy today's competition. If we can be of any help during the day, please feel free to contact any of us for assistance.

Sincerely yours,

*Bill Mick*

Bill Mick
